

"Fearless (Taylor's Version)" (released April 9, 2021) (original version released November 11, 2008)

"Fearless (Taylor's Version)"

There's something 'bout the way
The street looks when it's just rained
There's a glow off the pavement, you walk me to the car
And you know I wanna ask you to dance right there
In the middle of the parking lot, yeah
Oh, yeah

We're driving down the road, I wonder if you know
I'm trying so hard not to get caught up now
But you're just so cool, run your hands through your hair
Absent-mindedly making me want you

And I don't know how it gets better than this
You take my hand and drag me head first, fearless
And I don't know why but with you I'd dance
In a storm in my best dress, fearless

So, baby, drive slow 'til we run out of road in this one-horse town
I wanna stay right here, in this passenger's seat
You put your eyes on me
In this moment now, capture it, remember it

'Cause I don't know how it gets better than this
You take my hand and drag me head first, fearless
And I don't know why but with you I'd dance
In a storm in my best dress, fearless
Oh, oh

Well, you stood there with me in the doorway
My hands shake, I'm not usually this way but
You pull me in and I'm a little more brave
It's the first kiss, it's flawless, really something
It's fearless
Oh, yeah

'Cause I don't know how it gets better than this
You take my hand and drag me head first, fearless

And I don't know why but with you I'd dance
In a storm in my best dress, fearless
'Cause I don't know how it gets better than this
You take my hand and drag me head first, fearless
And I don't know why but with you I'd dance
In a storm in my best dress, fearless

Oh, oh
Oh-oh, yeah

"Fifteen (Taylor's Version)"

You take a deep breath and you walk through the doors
It's the mornin' of your very first day
You say hi to your friends you ain't seen in a while
Try and stay out of everybody's way
It's your freshman year and you're gonna be here
For the next four years in this town
Hopin' one of those senior boys will wink at you and say
"You know, I haven't seen you around before"

'Cause when you're fifteen and somebody tells you they love you
You're gonna believe them
And when you're fifteen, feelin' like there's nothin' to figure out
Well, count to ten, take it in
This is life before you know who you're gonna be
Fifteen

You sit in class next to a redhead named Abigail
And soon enough, you're best friends
Laughin' at the other girls who think they're so cool
We'll be outta here as soon as we can
And then you're on your very first date and he's got a car
And you're feelin' like flyin'
And your mama's waitin' up and you're thinkin' he's the one
And you're dancin' 'round your room when the night ends
When the night ends

'Cause when you're fifteen and somebody tells you they love you
You're gonna believe them
And when you're fifteen and your first kiss

Makes your head spin 'round
But in your life you'll do things greater than
Dating the boy on the football team
But I didn't know it at fifteen

When all you wanted was to be wanted
Wish you could go back and tell yourself what you know now
Back then, I swore I was gonna marry him someday
But I realized some bigger dreams of mine
And Abigail gave everything she had
To a boy who changed his mind
And we both cried

'Cause when you're fifteen and somebody tells you they love you
You're gonna believe them
And when you're fifteen, don't forget to look before you fall
I've found time can heal most anything
And you just might find who you're supposed to be
I didn't know who I was supposed to be
At fifteen

La-la-la, la-la-la, la-la-la-la
La-la-la, la-la-la, la-la-la-la
La-la-la, la-la-la

Your very first day
Take a deep breath, girl
Take a deep breath as you walk through the doors

"Love Story (Taylor's Version)"

We were both young when I first saw you
I close my eyes and the flashback starts
I'm standing there
On a balcony in summer air
See the lights, see the party, the ball gowns
See you make your way through the crowd
And say, "Hello"
Little did I know

That you were Romeo, you were throwing pebbles

And my daddy said, "Stay away from Juliet"
And I was crying on the staircase
Begging you, "Please don't go," and I said

Romeo, take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story, baby, just say, "Yes"

So I sneak out to the garden to see you
We keep quiet 'cause we're dead if they knew
So close your eyes
Escape this town for a little while, oh, oh

'Cause you were Romeo, I was a scarlet letter
And my daddy said, "Stay away from Juliet"
But you were everything to me
I was begging you, "Please don't go," and I said

Romeo, take me somewhere we can be alone
I'll be waiting, all there's left to do is run
You'll be the prince and I'll be the princess
It's a love story, baby, just say, "Yes"
Romeo, save me, they're trying to tell me how to feel
This love is difficult, but it's real
Don't be afraid, we'll make it out of this mess
It's a love story, baby, just say, "Yes"

Oh, oh

And I got tired of waiting
Wondering if you were ever coming around
My faith in you was fading
When I met you on the outskirts of town

And I said, "Romeo, save me, I've been feeling so alone
I keep waiting for you, but you never come
Is this in my head? I don't know what to think"
He knelt to the ground and pulled out a ring, and said
"Marry me, Juliet, you'll never have to be alone
I love you and that's all I really know
I talked to your dad, go pick out a white dress

It's a love story, baby, just say, 'Yes'"

Oh, oh, oh

Oh, oh, oh

'Cause we were both young when I first saw you

"Hey Stephen (Taylor's Version)"

Mmm-mm, mm-mm

Mmm-mm, mm-mm

Mmm-mm, mm-mm, yeah

Hey Stephen, I know looks can be deceiving

But I know I saw a light in you

And as we walked we were talking

I didn't say half the things I wanted to

Of all the girls tossing rocks at your window

I'll be the one waiting there even when it's cold

Hey Stephen, boy, you might have me believing

I don't always have to be alone

'Cause I can't help it if you look like an angel

Can't help it if I wanna kiss you in the rain so

Come feel this magic I've been feeling since I met you

Can't help it if there's no one else

Mmm, I can't help myself

Hey Stephen, I've been holding back this feeling

So I got some things to say to you

I've seen it all, so I thought

But I never seen nobody shine the way you do

The way you walk, way you talk, way you say my name

It's beautiful, wonderful, don't you ever change

Hey Stephen, why are people always leaving?

I think you and I should stay the same

'Cause I can't help it if you look like an angel

Can't help it if I wanna kiss you in the rain so

Come feel this magic I've been feeling since I met you

Can't help it if there's no one else

Mmm, I can't help myself

They're dimming the street lights, you're perfect for me
Why aren't you here tonight?
I'm waiting alone now, so come on and come out
And pull me near and shine, shine, shine
Hey Stephen, I could give you fifty reasons
Why I should be the one you choose
All those other girls, well, they're beautiful
But would they write a song for you? (Ha-ha-ha)

I can't help it if you look like an angel
Can't help it if I wanna kiss you in the rain so
Come feel this magic I've been feeling since I met you
Can't help it if there's no one else
Mmm, I can't help myself
If you look like an angel
Can't help it if I wanna kiss you in the rain so
Come feel this magic I've been feeling since I met you
Can't help it if there's no one else
Mmm, I can't help myself

Ah-uh, myself
Mmm-mm, I can't help myself
I can't help myself
Oh-oh-oh
Mmm-mm, mm-mm
Mmm-mm, mm-mm
Mmm-mm, mm-mm

"White Horse (Taylor's Version)"

Say you're sorry, that face of an angel
Comes out just when you need it to
As I paced back and forth all this time
'Cause I honestly believed in you
Holdin' on, the days drag on
Stupid girl, I shoulda known, I shoulda known

That I'm not a princess, this ain't a fairytale
I'm not the one you'll sweep off her feet, lead her up the stairwell
This ain't Hollywood, this is a small town

I was a dreamer before you went and let me down
Now it's too late for you and your white horse
To come around

Maybe I was naïve, got lost in your eyes
And never really had a chance
My mistake, I didn't know to be in love
You had to fight to have the upper hand
I had so many dreams about you and me
Happy endings, now I know

That I'm not a princess, this ain't a fairytale
I'm not the one you'll sweep off her feet, lead her up the stairwell
This ain't Hollywood, this is a small town
I was a dreamer before you went and let me down
Now it's too late for you and your white horse
To come around

And there you are on your knees
Beggin' for forgiveness, beggin' for me
Just like I always wanted
But I'm so sorry

'Cause I'm not your princess, this ain't our fairytale
I'm gonna find someone someday
Who might actually treat me well
This is a big world, that was a small town
There in my rear view mirror disappearing now
And it's too late for you and your white horse
Now it's too late for you and your white horse
To catch me now

Oh, whoa, whoa, whoa
Try and catch me now, oh
It's too late to catch me now

"You Belong With Me (Taylor's Version)"

You're on the phone with your girlfriend, she's upset
She's going off about something that you said
'Cause she doesn't get your humor like I do

I'm in my room, it's a typical Tuesday night
I'm listening to the kind of music she doesn't like
And she'll never know your story like I do

'Cause she wears short skirts, I wear T-shirts
She's Cheer Captain and I'm on the bleachers
Dreaming 'bout the day when you wake up and find
That what you're looking for has been here the whole time

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me, you belong with me

Walking the streets with you and your worn-out jeans
I can't help thinking this is how it ought to be
Laughing on a park bench, thinking to myself
Hey, isn't this easy?
And you've got a smile that could light up this whole town
I haven't seen it in a while since she brought you down
You say you're fine, I know you better than that
Hey, whatcha doing with a girl like that?

She wears high heels, I wear sneakers
She's Cheer Captain and I'm on the bleachers
Dreaming about the day when you wake up and find
That what you're looking for has been here the whole time

If you could see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me
Standing by and waiting at your back door
All this time how could you not know, baby?
You belong with me, you belong with me

Oh, I remember you driving to my house
In the middle of the night
I'm the one who makes you laugh
When you know you're 'bout to cry
I know your favorite songs
And you tell me 'bout your dreams
Think I know where you belong
Think I know it's with me

Can't you see that I'm the one who understands you
Been here all along, so why can't you see?
You belong with me
Standing by and waiting at your back door
All this time how could you not know, baby?
You belong with me, you belong with me

You belong with me
Have you ever thought just maybe
You belong with me?
You belong with me

"Breathe (Taylor's Version)" (feat. Colbie Caillat)

I see your face in my mind as I drive away
'Cause none of us thought it was gonna end that way
People are people and sometimes we change our minds
But it's killing me to see you go after all this time

Mm-mm, mm-mm-mm-mm
Mm-mm, mm-mm-mm-mm

The music starts playing like the end of a sad movie
It's the kind of ending you don't really wanna see
'Cause it's tragedy and it'll only bring you down
Now I don't know what to be without you around

And we know it's never simple, never easy
Never a clean break, no one here to save me
You're the only thing I know like the back of my hand

And I can't breathe without you, but I have to
Breathe without you, but I have to

Never wanted this, never wanna see you hurt
Every little bump in the road, I tried to swerve
But people are people and sometimes it doesn't work out
And nothin' we say is gonna save us from the fallout

And we know it's never simple, never easy
Never a clean break, no one here to save me
You're the only thing I know like the back of my hand

And I can't breathe without you, but I have to
Breathe without you but I have to

It's 2 A.M., feeling like I just lost a friend
Hope you know it's not easy, easy for me
It's 2 A.M., feeling like I just lost a friend
Hope you know this ain't easy, easy for me

And we know it's never simple, never easy
Never a clean break, no one here to save me, oh

I can't breathe without you, but I have to
Breathe without you, but I have to
Breathe without you, but I have to
Breathe without you, but I have to

I'm sorry, I'm sorry (Mmm)
I'm sorry, (Yeah, yeah) I'm sorry
I'm sorry, I'm sorry (Ooh, ooh)
I'm sorry

"Tell Me Why (Taylor's Version)"

I took a chance, I took a shot
And you might think I'm bulletproof, but I'm not
You took a swing, I took it hard
And down here from the ground, I see who you are

I'm sick and tired of your attitude
I'm feeling like I don't know you
You tell me that you love me, then cut me down
And I need you like a heartbeat
But you know you got a mean streak
Makes me run for cover when you're around
Here's to you and your temper
Yes, I remember what you said last night
And I know that you see what you're doin' to me

Tell me why

Well, you could write a book on
How to ruin someone's perfect day
Well, I get so confused and frustrated
Forget what I'm tryin' to say, oh

I'm sick and tired of your reasons
I got no one to believe in
You tell me that you want me, then push me around
And I need you like a heartbeat
But you know you got a mean streak
Makes me run for cover when you're around
Here's to you and your temper
Yes, I remember what you said last night
And I know that you see what you're doin' to me
Tell me why

Why do you have to make me feel small
So you can feel whole inside?
Why do you have to put down my dreams
So you're the only thing on my mind?

I'm sick and tired of your attitude
Feeling like I don't know you
You tell me that you want me, then cut me down
I'm sick and tired of your reasons
I've got no one to believe in
You ask me for my love, then you push me around
Here's to you and your temper
Yes, I remember what you said last night
And I know that you see what you're doin' to me
Tell me why (Why)
Tell me why (Oh)

I take a step back, I let you go
I told you I'm not bulletproof
Now you know

"You're Not Sorry (Taylor's Version)"

All this time I was wasting hoping you would come around
I've been giving out chances every time and all you do is let me down
And it's taken me this long, baby, but I've figured you out
And you're thinking we'll be fine again, but not this time around

You don't have to call anymore
I won't pick up the phone
This is the last straw
Don't wanna hurt anymore
And you can tell me that you're sorry
But I don't believe you, baby, like I did before
You're not sorry
No, no, oh-oh

You're looking so innocent, I might believe you if I didn't know
Could've loved you all my life if you hadn't left me waiting in the cold
And you've got your share of secrets
And I'm tired of being last to know, oh
And now you're asking me to listen
'Cause it's worked each time before

But you don't have to call anymore
I won't pick up the phone
This is the last straw
Don't wanna hurt anymore
And you can tell me that you're sorry
But I don't believe you, baby, like I did before
You're not sorry
No, no, oh-oh
You're not sorry
No, no, oh-oh

You had me crawling for you, honey
And it never would've gone away, no
You used to shine so bright, but I watched all of it fade

So you don't have to call anymore
I won't pick up the phone
This is the last straw
There's nothing left to beg for
And you can tell me that you're sorry
But I don't believe you, baby, like I did before

You're not sorry
No, no, oh-oh
You're not sorry
No, no, oh-oh

No, no, no, no, no, no, no, no, no, no, no, no
Woah, oh, oh oh, oh oh oh
Oh, oh, oh, no, no, no, no, no, no

"The Way I Loved You (Taylor's Version)"

He is sensible and so incredible
And all my single friends are jealous
He says everything I need to hear and it's like
I couldn't ask for anything better
He opens up my door and I get into his car
And he says, "You look beautiful tonight."
And I feel perfectly fine

But I miss screaming and fighting and kissing in the rain
And it's 2 AM and I'm cursing your name
You're so in love that you act insane
And that's the way I loved you
Breaking down and coming undone
It's a roller coaster kind of rush
And I never knew I could feel that much
And that's the way I loved you

He respects my space
And never makes me wait
And he calls exactly when he says he will
He's close to my mother
Talks business with my father
He's charming and endearing
And I'm comfortable

But I miss screaming and fighting and kissing in the rain
And it's 2 AM and I'm cursing your name
You're so in love that you acted insane
And that's the way I loved you
Breaking down and coming undone

It's a roller coaster kind of rush
And I never knew I could feel that much
And that's the way I loved you

He can't see the smile I'm faking
And my heart's not breaking
'Cause I'm not feeling anything at all
And you were wild and crazy
Just so frustrating
Intoxicating, complicated
Got away by some mistake and now

I miss screaming and fighting and kissing in the rain
It's 2 AM and I'm cursing your name
I'm so in love that I acted insane
And that's the way I loved you
Breaking down and coming undone
It's a roller coaster kind of rush
And I never knew I could feel that much
And that's the way I loved you oh, oh

Whoa, whoa, oh-oh, oh
And that's the way I loved you oh, oh, oh, oh
Oh, oh, oh, whoa
Never knew I could feel that much
And that's the way I loved you

"Forever & Always (Taylor's Version)"

Once upon a time
I believe it was a Tuesday when I caught your eye
And we caught onto something
I hold onto the night
You looked me in the eye and told me you loved me
Were you just kidding?
'Cause it seems to me
This thing is breaking down, we almost never speak
I don't feel welcome anymore
Baby, what happened? Please tell me
'Cause one second it was perfect
Now you're halfway out the door

And I stare at the phone, he still hasn't called
And then you feel so low you can't feel nothing at all
And you flashback to when he said, "Forever and always."
Oh, and it rains in your bedroom
Everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said, "Forever and always."

Was I out of line?
Did I say something way too honest, made you run and hide
Like a scared little boy?
I looked into your eyes
Thought I knew you for a minute, now I'm not so sure
So here's to everything coming down to nothing
Here's to silence that cuts me to the core
Where is this going?
Thought I knew for a minute, but I don't anymore

And I stare at the phone, he still hasn't called
And then you feel so low you can't feel nothing at all
And you flashback to when he said, "Forever and always."
Oh, and it rains in your bedroom
Everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said, "Forever and always."
You didn't mean it baby, I don't think so

Oh, back up, baby, back up
Did you forget everything?
Back up, baby, back up
Did you forget everything?

'Cause it rains in your bedroom
Everything is wrong
It rains when you're here and it rains when you're gone
'Cause I was there when you said, "Forever and always."
Oh, I stare at the phone, he still hasn't called
And then you feel so low you can't feel nothing at all
And you flashback to when we said, "Forever and always."
And it rains in your bedroom
Everything is wrong

It rains when you're here and it rains when you're gone
'Cause I was there when you said, "Forever and always."
You didn't mean it baby
You said, "Forever and always," yeah

"The Best Day (Taylor's Version)"

I'm five years old, it's getting cold, I've got my big coat on
I hear your laugh and look up smiling at you, I run and run
Past the pumpkin patch and the tractor rides
Look now, the sky is gold
I hug your legs and fall asleep on the way home

I don't know why all the trees change in the fall
But I know you're not scared of anything at all
Don't know if Snow White's house is near or far away
But I know I had the best day with you today

I'm thirteen now
And don't know how my friends could be so mean
I come home crying and you hold me tight and grab the keys
And we drive and drive until we found a town far enough away
And we talk and window shop 'til I've forgotten all their names

I don't know who I'm going to talk to now at school
But I know I'm laughing on the car ride home with you
Don't know how long it's going to take to feel okay
But I know I had the best day with you today

I have an excellent father, his strength is making me stronger
God smiles on my little brother, inside and out
He's better than I am
I grew up in a pretty house and I had space to run
And I had the best days with you

There is a video I found from back when I was three
You set up a paint set in the kitchen and you're talking to me
It's the age of princesses and pirate ships and the seven dwarfs
And Daddy's smart
And you're the prettiest lady in the whole wide world

And now I know why all the trees change in the fall
I know you were on my side even when I was wrong
And I love you for giving me your eyes
For staying back and watching me shine
And I didn't know if you knew, so I'm taking this chance to say
That I had the best day with you today

"Change (Taylor's Version)"

Well, it's a sad picture, the final blow hits you
Somebody else gets what you wanted again and
You know it's all the same, another time and place
Repeating history and you're getting sick of it
But I believe in whatever you do
And I'll do anything to see it through

Because these things will change
Can you feel it now?
These walls that they put up to hold us back will fall down
This revolution, the time will come
For us to finally win
And we'll sing hallelujah, we'll sing hallelujah
Oh, oh

So we've been outnumbered, raided, and now cornered
It's hard to fight when the fight ain't fair
We're getting stronger now, find things they never found
They might be bigger but we're faster and never scared
You can walk away, say we don't need this
But there's something in your eyes says we can beat this

'Cause these things will change
Can you feel it now?
These walls that they put up to hold us back will fall down
This revolution, the time will come
For us to finally win
And we'll sing hallelujah, we'll sing hallelujah
Oh, oh

Tonight, we'll stand, get off our knees
Fight for what we've worked for all these years

And the battle was long, it's the fight of our lives
But we'll stand up champions tonight

It was the night things changed
Can you see it now?
When the walls that they put up to hold us back fell down
It's a revolution, throw your hands up
'Cause we never gave in
And we'll sing hallelujah, we sang hallelujah
Hallelujah

"Jump Then Fall (Taylor's Version)"

I like the way you sound in the morning
We're on the phone and without a warning
I realize your laugh is the best sound
I have ever heard
I like the way I can't keep my focus
I watch you talk, you didn't notice
I hear the words but all I can think is
We should be together

Every time you smile, I smile
And every time you shine, I'll shine for you

Whoa oh, I'm feeling you, baby
Don't be afraid to
Jump then fall
Jump then fall into me
Baby, I'm never gonna leave you
Say that you wanna be with me too
'Cause I'ma stay through it all
So jump then fall

Well I like the way your hair falls in your face
You got the keys to me
I love each freckle on your face, oh
I've never been so wrapped up, honey
I like the way you're everything I ever wanted
I had time to think it o-ver
And all I can say is come closer

Take a deep breath and jump then fall into me

'Cause every time you smile, I smile
And every time you shine, I'll shine for you

Whoa oh, I'm feeling you, baby
Don't be afraid to
Jump then fall
Jump then fall into me
Baby, I'm never gonna leave you
Say that you wanna be with me too
'Cause I'ma stay through it all
So jump then fall

The bottom's gonna drop out from under our feet
I'll catch you, I'll catch you
When people say things that bring you to your knees
I'll catch you
The time is gonna come when you're so mad you could cry
But I'll hold you through the night until you smile

Whoa oh, I need you, baby
Don't be afraid, please
Jump then fall
Jump then fall into me
Baby, I'm never gonna leave you
Say that you wanna be with me too
'Cause I'ma stay through it all
So jump then fall
Jump then fall, baby
Jump then fall into me, into me

Every time you smile, I smile
And every time you shine, I shine
And every time you're here
Baby, I'll show you, I'll show you
You can jump then fall, jump then fall
Jump then fall into me, into me, yeah

"Untouchable (Taylor's Version)"

Untouchable like a distant diamond sky
I'm reaching out and I just can't tell you why
I'm caught up in you, I'm caught up in you

Untouchable, burning brighter than the sun
And when you're close, I feel like coming undone

In the middle of the night when I'm in this dream
It's like a million little stars spelling out your name
You got to come on, come on, say that we'll be together
Come on, come on, little taste of heaven

It's half full and I won't wait here all day
I know you're saying that you'd be here anyway

But you're untouchable, burning brighter than the sun
And now that you're close, I feel like coming undone

In the middle of the night when I'm in this dream
It's like a million little stars spelling out your name
You got to come on, come on, say that we'll be together
Come on, come on, oh

In the middle of the night waking from this dream
I want to feel you by my side, standing next to me
You got to come on, come on, say that we'll be together
Come on, come on, little taste of heaven

I'm caught up in you
Oh-oh, oh, oh-oh
But you're untouchable, burning brighter than the sun
Now that you're close, I feel like coming undone

In the middle of the night when I'm in this dream
It's like a million little stars spelling out your name
You got to come on, come on, say that we'll be together
Come on, come on, oh

In the middle of the night when I'm in this dream
It's like a million little stars spelling out your name
You got to come on, come on, say that we'll be together
Come on, come on, come on

In the middle of the night waking from this dream
I want to feel you by my side, standing next to me

You got to come on, come on, say that we'll be together
Come on, come on, little taste of heaven
And in the middle of the night when I'm in this dream
It's like a million little stars spelling out your name
You got to come on, come on, oh, come on, come on
Come on, come on, oh, oh, oh

It's like a million little stars spelling out your name
They're spelling out your name, oh

"Come In With The Rain (Taylor's Version)"

I could go back to every laugh
But I don't wanna go there anymore
And I know all the steps up to your door
But I don't wanna go there anymore

Talk to the wind, talk to the sky
Talk to the man with the reasons why
And let me know what you find

I'll leave my window open
'Cause I'm too tired at night to call your name
Just know I'm right here hoping
That you'll come in with the rain

I could stand up and sing you a song
But I don't wanna have to go that far
And I, I've got you down, I know you by heart
And you don't even know where I start

Talk to yourself, talk to the tears
Talk to the man who put you here
And don't wait for the sky to clear

I'll leave my window open
'Cause I'm too tired at night to call your name
Just know I'm right here hoping
That you'll come in with the rain

I've watched you so long, screamed your name

I don't know what else I can say

I'll leave my window open
'Cause I'm too tired at night for all these games
Just know I'm right here hoping
That you'll come in with the rain

I could go back to every laugh
But I don't wanna go there anymore

"Superstar (Taylor's Version)"

This is wrong but I can't help but feel like
There ain't nothing more right babe
Misty morning comes again and I can't
Help but wish I could see your face
And I knew from the first note played
I'd be breaking all my rules to see you
You smile that beautiful smile and all the girls in the front row
Scream your name

So dim that spotlight, tell me things like
I can't keep my eyes off of you
I'm no one special, just another wide-eyed girl
Who's desperately in love with you
Give me a photograph to hang on my wall, superstar

Morning loneliness
Comes around when I'm not dreaming about you
When my world wakes up today
You'll be in another town
And I knew when I saw your face
I'd be counting down the ways to see you
You smile that beautiful smile and all the girls in the front row scream your name

So dim that spotlight, tell me things like
I can't take my eyes off of you
I'm no one special, just another wide-eyed girl
Who's desperately in love with you
Give me a photograph to hang on my wall, superstar

You played in bars, you play guitar
And I'm invisible and everyone knows who you are
And you'll never see, you sing me to sleep
Every night from the radio

So dim that spotlight, tell me things like
I can't take my eyes off of you
I'm no one special, just another wide-eyed girl
Who's desperately in love with you
Give me a photograph to hang on my wall, superstar

Sweet, sweet superstar
Superstar

"The Other Side Of The Door (Taylor's Version)"

In the heat of the fight I walked away
Ignorin' words that you were sayin'
Tryna make me stay
I said, "This time I've had enough"
And you've called a hundred times
But I'm not picking up

'Cause I'm so mad I might tell you that it's over
But if you look a little closer

I said, "Leave," but all I really want is you
To stand outside my window throwin' pebbles
Screamin', "I'm in love with you"
Wait there in the pourin' rain, comin' back for more
And don't you leave 'cause I know
All I need is on the other side of the door

Me and my stupid pride are sittin' here alone
Goin' through the photographs, starin' at the phone
I keep goin' back over things we both said
And I remember the slamming door
And all the things that I misread

Oh, babe, if you know everything
Tell me why you couldn't see

When I left, I wanted you to chase after me, yeah

I said, "Leave," but all I really want is you
To stand outside my window throwin' pebbles
Screamin', "I'm in love with you"
Wait there in the pourin' rain, comin' back for more
And don't you leave 'cause I know
All I need is on the other side of the door

And I'll scream out the window
I can't even look at you
I don't need you but I do, I do, I do
I say, "There's nothing you can say
To make this right again, I mean it, I mean it"
But what I mean is

I said, "Leave," but, baby, all I want is you
To stand outside my window throwin' pebbles
Screamin', "I'm in love with you"
Wait there in the pourin' rain, comin' back for more
And don't you leave 'cause I know
All I need is on the other side of the door

With your face and the beautiful eyes
And the conversation with the little white lies
And the faded picture of a beautiful night
You carried me from your car up the stairs
And I broke down crying, was she worth this mess?
After everything and that little black dress
After everything I must confess, I need you

"Today Was A Fairytale (Taylor's Version)"

Today was a fairytale
You were the prince
I used to be a damsel in distress
You took me by the hand and you picked me up at six
Today was a fairytale
Today was a fairytale
Today was a fairytale
I wore a dress

You wore a dark grey t-shirt
You told me I was pretty when I looked like a mess
Today was a fairytale

Time slows down
Whenever you're around

Can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale

Today was a fairytale
You've got a smile
That takes me to another planet
Every move you make everything you say is right
Today was a fairytale
Today was a fairytale
All that I can say
Is now it's getting so much clearer
Nothing made sense 'til the time I saw your face
Today was a fairytale

Time slows down
Whenever you're around, yeah

But can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale

Time slows down
Whenever you're around
I can feel my heart
It's beating in my chest
Did you feel it?

I can't put this down

But can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing there
It must have been the way

But can you feel this magic in the air?
It must have been the way you kissed me
Fell in love when I saw you standing there
It must have been the way
Today was a fairytale
It must have been the way
Today was a fairytale

Today was a fairytale

**"You All Over Me (Taylor's Version) (From The Vault)"
(feat. Maren Morris)**

Once the last drop of rain has dried off the pavement
Shouldn't I find a stain, but I never do
The way the tires turn stones, on old county roads
They leave 'em muddy underneath
Reminds me of you
You find graffiti on the walls of old bathroom stalls
You know, you can scratch it right off
It's how it used to be
But like the dollar in your pocket it's been spent and traded in
You can't change where it's been
Reminds me of me

I lived, and I learned
Had you, got burned
Held out, and held on
God knows, too long
And wasted time, lost tears
Swore that I'd get out of here
But no amount of freedom gets you clean
I've still got you all over me

The best and worst day of June
Was the one that I met you
With your hands in your pockets
And your "Don't you wish you had me?" grin
Well, I did, so I smiled, and I melted like a child
Now every breath of air I breathe reminds me of then

And I lived, and I learned
Had you, got burned
Held out, and held on
God knows, too long
And wasted time, lost tears
Swore that I'd get out of here
But no amount of freedom gets you clean
I've still got you all over me

I lived, and I learned
And found out what it was to turn around
And see, that we
Were never really meant to be
So I lied, and I cried
And I watched a part of myself die
'Cause no amount of freedom gets you clean
I've still got you all over me
I've still got you all over me
Still got you all over me

"Mr. Perfectly Fine (Taylor's Version) (From The Vault)"

Mr. "Perfect face"
Mr. "Here to stay"
Mr. "Looked me in the eye and told me you would never go away"
Everything was right
Mr. "I've been waiting for you all my life"
Mr. "Every single day until the end, I will be by your side"

But that was when I got to know Mr. "Change of heart"
Mr. "Leaves me all alone," I fall apart
It takes everything in me just to get up each day
But it's wonderful to see that you're okay

Hello Mr. "Perfectly fine"
How's your heart after breaking mine?
Mr. "Always at the right place at the right time," baby
Hello Mr. "Casually cruel"
Mr. "Everything revolves around you"
I've been Miss "Misery" since your goodbye
And you're Mr. "Perfectly fine"

Mr. "Never told me why"
Mr. "Never had to see me cry"
Mr. "Insincere apology so he doesn't look like the bad guy"
He goes about his day
Forgets he ever even heard my name
Well, I thought you might be different than the rest, I guess you're all the same

'Cause I hear he's got his arm 'round a brand-new girl
I've been pickin' up my heart, he's been pickin' up her
And I never got past what you put me through
But it's wonderful to see that it never fazed you

Hello Mr. "Perfectly fine"
How's your heart after breakin' mine?
Mr. "Always at the right place at the right time," baby
Hello Mr. "Casually cruel"
Mr. "Everything revolves around you"
I've been Miss "Misery" since your goodbye
And you're Mr. "Perfectly fine"

So dignified in your well-pressed suit
So strategized, all the eyes on you
Sashay away to your seat
It's the best seat, in the best room
Oh, he's so smug, Mr. "Always wins"
So far above me in every sense
So far above feeling anything

And it's really such a shame
It's such a shame
'Cause I was Miss "Here to stay"
Now I'm Miss "Gonna be alright someday"
And someday maybe you'll miss me
But by then, you'll be Mr. "Too late"

Goodbye Mr. "Perfectly fine"
How's your heart after breakin' mine?
Mr. "Always at the right place at the right time," baby
Goodbye Mr. "Casually cruel"
Mr. "Everything revolves around you"
I've been Miss "Misery" for the last time
And you're Mr. "Perfectly fine"
You're perfectly fine
Mr. "Looked me in the eye and told me you would never go away"
You said you'd never go away

"We Were Happy (Taylor's Version) (From The Vault)"

We used to walk along the streets
When the porch lights were shining bright
Before I had somewhere to be
Back when we had all night and we were happy
I do recall a good while back, we snuck into the circus
You threw your arms around my neck, back when I deserved it
And we were happy

When it was good, baby, it was good, baby
We showed 'em all up
No one could touch the way we laughed in the dark
Talking 'bout your daddy's farm we were gonna buy someday
And we were happy

We used to watch the sun go down on the boats in the water
That's sorta how I feel right now
And goodbye's so much harder 'cause we were happy

When it was good, baby, it was good, baby
We showed 'em all up
No one could touch the way we laughed in the dark
Talking 'bout your daddy's farm we were gonna buy someday
And we were happy
We were happy

Oh, I hate those voices telling me I'm not in love anymore
But they don't give me choices and that's what these tears are for

'Cause we were happy, we were happy

When it was good, baby, it was good, baby
We showed 'em all up
No one could touch the way we laughed in the dark
Talking 'bout your daddy's farm
And you were gonna marry me
And we were happy
Yeah, we were happy
Oh-oh, oh-oh-oh
We were happy

**"That's When (Taylor's Version) (From The Vault)"
(feat. Keith Urban)**

You said, "I know"
When I said, "I need some time, need some space
To think about all of this"
You watched me go
And I knew my
Words were hard to hear
And harder to ever take back
And I said, "When can I-I-I come back?"

And you said that's when
When I wake up in the morning
That's when, when it's sunny or storming
Laughing, when I'm crying
And that's when, I'll be waiting at the front gate
That's when, when I see your face
I'll let you in, and baby, that's when
Mm, mm

I said, "I know"
When you said, "I did you wrong
Made mistakes
And put you through all of this" (through all of this)
Then through the phone
Came all your tears
And I said, "Leave those all in our past"
And you said, "When can I-I-I come back?"

And I said, that's when
When I wake up in the morning
That's when, when it's sunny or storming
Laughing, when I'm crying
And that's when I'll be waiting at the front gate
That's when, when I see your face
I'll let you in, and baby, that's when"

And you said, "Honestly
When you were gone
Did you ever think of me?"
And I said

"That's when, when I woke up in the morning
That's when, it was sunny or storming
Laughing when I was crying
And that's when, you were waiting at the front gate
That's when, when I saw your face
You let me in, and baby, that's when"

That's when, when I wake up in the morning (Yeah)
That's when, when it's sunny or storming
When I'm laughing, when I'm crying
That's when I'll be waiting at the front gate
(That when I miss you, that's when I want you)
That's when, when I see your face
That's when I love you, that's when

"Don't You (Taylor's Version) (From The Vault)"

Hey, I knew I'd run into you somewhere
It's been a while, I didn't mean to stare
I heard she's nothin' like me
I'm sure she'll make you happy

But don't you
Don't you smile at me and ask me how I've been
Don't you say you've missed me if you don't want me again
You don't know how much I feel I love you still
So why don't you, don't you?

Ah, ah, ah, ah

Sometimes I really wish that I could hate you
I've tried, but that's just somethin' I can't do
My heart knows what the truth is
I swore I wouldn't do this

But don't you
Don't you smile at me and ask me how I've been
Don't you say you've missed me if you don't want me again
You don't know how much I feel I love you still
So why don't you, don't you?

So I walk outta here tonight
Try to go on with my life
And you can say, "We're still friends"
I don't wanna pretend
So if I see you again

Don't you (Don't you)
Don't you smile at me and ask me how I've been
Don't you (Don't you), say you've missed me if you don't want me again
You don't (You don't), know how much I feel I love you still
So why don't you, don't you?

Ah, ah, ah, ah
Don't you, ah, ah, ah

"Bye Bye Baby (Taylor's Version) (From The Vault)"

It wasn't just like a movie
The rain didn't soak through my clothes, down to my skin
I'm driving away and I, I guess you could say
This is the last time I'll drive this way again
Lost in the gray and I try to grab at the fray
'Cause I, I still love you but I can't

Bye, bye, to everything I thought was on my side
Bye, bye, baby
I want you back but it's come down to nothing

And all I have is your sympathy
'Cause you took me home but you just couldn't keep me
Bye, bye, baby
Bye, bye, baby

The picture frame is empty
On the dresser, vacant just like me
I see your writing on the dash
Then back to your hesitation
I was so sure of everything
Everything I thought we'd always have
Guess I never doubted it
Then the here and the now floods in
Feels like I'm becoming a part of your past

Bye, bye, to everything I thought was on my side
Bye, bye, baby
I want you back but it's come down to nothing
And all I have is your sympathy
'Cause you took me home but you just couldn't keep me
Bye, bye, baby

And there's so much that I can't touch
You're all I want but it's not enough this time
And all the pages are just slipping through my hands
And I'm so scared of how this ends

Bye, bye, to everything I thought was on my side
Bye, bye, baby
I want you back but it's come down to nothing
And all I have is your sympathy
'Cause you took me home but you just couldn't keep me

Bye, bye, to everything I thought was on my side
Bye, bye, baby
I want you back but it's come down to nothing
And all I have is your sympathy
'Cause you took me home but you just couldn't keep me
Oh, you took me home, I thought you were gonna keep me
Bye, bye, baby
Bye, bye, baby

"If This Was A Movie (Taylor's Version)"

Last night, I heard my own heart beatin'
Sounded like footsteps on my stairs
Six months gone and I'm still reachin'
Even though I know you're not there
I was playin' back a thousand memories, baby
Thinkin' 'bout everything we've been through
Maybe I've been going back too much lately
When time stood still and I had you

Come back, come back, come back to me like
You would, you would if this was a movie
Stand in the rain outside 'til I came out
Come back, come back, come back to me like
You could, you could if you just said you're sorry
I know that we could work it out somehow
But if this was a movie, you'd be here by now

I know people change and these things happen
But I remember how it was back then
Wrapped up in your arms and our friends are laughin'
'Cause nothing like this ever happened to them
Now I'm pacing down the hall, chasing down your street
Flashback to the night when you said to me
Nothing's gonna change, not for me and you
Back before I knew how much I had to lose

Come back, come back, come back to me like
You would, you would if this was a movie
Stand in the rain outside 'til I came out
Come back, come back, come back to me like
You could, you could if you just said you're sorry
I know that we could work it out somehow
But if this was a movie, you'd be here by now

If you're out there, if you're somewhere, if you're moving on
I've been waiting for you every day since you've been gone
I just want it back the way it was before
And I just wanna see you back at my front door

And I say, "Come back, come back, come back to me like

You would before you said it's not that easy
Before the fight, before I locked you out
But I take it all back now"

Come back, come back, come back to me like
You would, you would if this was a movie
Stand in the rain outside 'til I came out
Come back, come back, come back to me like
You could, you could if you just said you're sorry
I know that we could work it out somehow
But if this was a movie, you'd be here by now

You'd be here by now
It's not the kind of ending you wanna see now
Baby, what about the ending?
Oh, I thought that you'd be here by now
Oh, oh
Thought you'd be here by now
