"Welcome To New York (Taylor's Version)"

Walking through a crowd
The village is aglow
Kaleidoscope of loud
Heartbeats under coats
Everybody here
Wanted something more
Searching for a sound we hadn't
Heard before
And it said

Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York
Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

It's a new soundtrack
I could dance to this beat, beat
Forevermore
The lights are so bright
But they never blind me, me
Welcome to New York
It's been waiting for you
Welcome to New York
Welcome to New York

When we first dropped our bags on
Apartment floors
Took our broken hearts
Put them in a drawer
Everybody here was someone else

Before

And you can want who you want

Boys and boys and

Girls and girls

Welcome to New York

It's been waiting for you

Welcome to New York

Welcome to New York

Welcome to New York

It's been waiting for you

Welcome to New York

Welcome to New York

It's a new soundtrack

I could dance to this beat, beat

Forevermore

The lights are so bright

But they never blind me, me

Welcome to New York (New York)

It's been waiting for you

Welcome to New York

Welcome to New York

Like any great love it keeps you

Guessing

Like any real love

It's ever-changing

Like any true love

It drives you crazy

But you know you wouldn't

Change anything anything

Anything

Welcome to New York

It's been waiting for you

Welcome to New York

Welcome to New York

Welcome to New York

It's been waiting for you

Welcome to New York

Welcome to New York

It's a new soundtrack
I could dance to this beat
The lights are so bright
But they never blind me
Welcome to New York
New soundtrack
It's been waiting for you
Welcome to New York
The lights are so bright
But they never blind me
Welcome to New York
So bright
They never blind me
Welcome to New York
Welcome to New York

"Blank Space (Taylor's Version)"

Nice to meet you, where you been?
I could show you incredible things
Magic, madness, heaven, sin
Saw you there, and I thought
"Oh my God, look at that face
You look like my next mistake
Love's a game, wanna play?"
Ayy

New money, suit and tie
I can read you like a magazine
Ain't it funny? Rumors fly
And I know you heard about me
So hey, let's be friends
I'm dying to see how this one ends
Grab your passport and my hand
I can make the bad guys good for a weekend

So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over, mm

If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
'Cause you know I love the players
And you love the game

'Cause we're young and we're reckless
We'll take this way too far
It'll leave you breathless, hmm
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I've got a blank space, baby
And I'll write your name

Cherry lips, crystal skies
I could show you incredible things
Stolen kisses, pretty lies
You're the King, baby, I'm your Queen
Find out what you want
Be that girl for a month
Wait, the worst is yet to come, oh no

Screaming, crying, perfect storms
I can make all the tables turn
Rose garden filled with thorns
Keep you second guessing like
"Oh my God, who is she?"
I get drunk on jealousy
But you'll come back each time you leave
'Cause, darling, I'm a nightmare dressed like a daydream

So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over, mm
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
'Cause you know I love the players
And you love the game

'Cause we're young and we're reckless

We'll take this way too far
It'll leave you breathless, hmm
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I've got a blank space, baby
And I'll write your name

Boys only want love if it's torture
Don't say I didn't, say I didn't warn ya
Boys only want love if it's torture
Don't say I didn't say, I didn't warn ya

So it's gonna be forever
Or it's gonna go down in flames
You can tell me when it's over, mm
If the high was worth the pain
Got a long list of ex-lovers
They'll tell you I'm insane
'Cause you know I love the players
And you love the game

'Cause we're young and we're reckless
We'll take this way too far
It'll leave you breathless, hmm
Or with a nasty scar
Got a long list of ex-lovers
They'll tell you I'm insane
But I've got a blank space, baby
And I'll write your name

"Style (Taylor's Version)"

Midnight
You come and pick me up, no headlights
Long drive
Could end in burning flames or paradise
Fade into view, oh, it's been a while since I have even heard from you (heard from you)

I should just tell you to leave 'cause I
Know exactly where it leads but I

Watch us go 'round and 'round each time

You got that James Dean daydream look in your eye
And I got that red lip classic thing that you like
And when we go crashing down, we come back every time
'Cause we never go out of style
We never go out of style

You got that long hair, slicked back, white t-shirt
And I got that good girl faith and a tight little skirt
And when we go crashing down, we come back every time
'Cause we never go out of style
We never go out of style

So it goes
He can't keep his wild eyes on the road
Takes me home
Lights are off, he's taking off his coat, hmm, yeah
I say, "I heard, oh, that you've been out and about with some other girl, some other girl."

He says, "What you've heard is true but I
Can't stop thinking about you," and I
I said, "I've been there, too, a few times."

'Cause you got that James Dean daydream look in your eye
And I got that red lip classic thing that you like
And when we go crashing down, we come back every time
'Cause we never go out of style
We never go out of style

You got that long hair, slicked back, white t-shirt
And I got that good girl faith and a tight little skirt (tight little skirt)
And when we go crashing down, we come back every time
'Cause we never go out of style (We never go, we never go)
We never go out of style

Take me home
Just take me home, yeah
Just take me home
(Out of style)

You got that James Dean daydream look in your eye

And I got that red lip classic thing that you like
And when we go crashing down (when we go)
We come back every time
'Cause we never go out of style
We never go out of style

"Out Of The Woods (Taylor's Version)"

Looking at it now
It all seems so simple
We were lying on your couch
I remember
You took a Polaroid of us
Then discovered (then discovered)
The rest of the world was black and white
But we were in screaming color
And I remember thinking

Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods?
Are we in the clear yet?
Are we in the clear yet?
Are we in the clear yet?
In the clear yet? Good
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods?
Are we in the clear yet?
Are we in the clear yet?
Are we in the clear yet?
In the clear yet? Good
Are we out of the woods?

Looking at it now
Last December (last December)
We were built to fall apart
Then fall back together (back together)
Ooh, your necklace hanging from my neck

The night we couldn't quite forget
When we decided (we decided)
To move the furniture so we could dance
Baby, like we stood a chance
Two paper airplanes flying, flying, flying
And I remember thinkin'

Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods?
Are we in the clear yet?
Are we in the clear yet?
Are we in the clear yet?
In the clear yet? Good
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods yet?
Oh
Are we out of the woods?
Are we in the clear yet?
Are we in the clear yet?
Are we in the clear yet?
In the clear yet? Good
Are we out of the woods?

Remember when you hit the brakes too soon?
Twenty stitches in a hospital room
When you started cryin', baby, I did, too
But when the sun came up, I was lookin' at you
Remember when we couldn't take the heat
I walked out and said, "I'm settin' you free,"
But the monsters turned out to be just trees
When the sun came up, you were lookin' at me

You were lookin' at me
You were lookin' at me

Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods yet?
Are we out of the woods?

I remember

Are we in the clear yet?

Are we in the clear yet?

Are we in the clear yet?

In the clear yet? Good

Oh, I remember

Are we out of the woods yet?

Are we out of the woods yet?

(Yeah)

Are we out of the woods yet?

Are we out of the woods?

Are we in the clear yet?

Are we in the clear yet?

Are we?

Are we in the clear yet?

In the clear yet? Good

Are we out of the woods yet?

Are we out of the woods yet?

Are we out of the woods yet?

Are we out of the woods?

Are we in the clear yet?

(Yeah)

Are we in the clear yet?

(Yeah)

Are we in the clear yet?

In the clear yet? Good

Are we out of the woods yet?

Are we out of the woods yet?

Are we out of the woods yet?

Are we out of the woods?

Are we in the clear yet?

Are we in the clear yet?

Are we in the clear yet?

In the clear yet? Good

Are we out of the woods yet?

Are we out of the woods yet?

Are we out of the woods yet?

Are we out of the woods?
Are we in the clear yet?
Are we in the clear yet?
Are we in the clear yet?
In the clear yet? Good

"All You Had To Do Was Stay (Taylor's Version)"

(Hey, hey, hey)
(Hey, hey, hey)
(Hey, hey, hey)
(Hey, hey, hey)

People like you always want back the love they gave away
And people like me wanna believe you when you say you've changed
The more I think about it now the less I know
All I know is that you drove us off the road

Stay
Hey, all you had to do was stay
Had me in the palm of your hand
Then why'd you have to go and lock me out when I let you in?
Stay
Hey, now you say you want it back
Now that it's just too late
Well, could've been easy
All you had to do was stay

All you had to do was stay
All you had to do was stay
All you had to do was stay
All you had to do was stay

Here you are now, calling me up, but I don't know what to say
I've been picking up the pieces of the mess you made
People like you always want back the love they pushed aside
But people like me are gone forever when you say goodbye

Stay
Hey, all you had to do was stay
Had me in the palm of your hand

Then why'd you have to go and lock me out when I let you in?

Stay

Hey, now you say you want it back

Now that it's just too late

Well, could've been easy

All you had to do was stay

All you had to do was stay

All you had to do was stay

All you had to do was stay, stay, stay, stay, stay

Let me remind you

This was what you wanted

You ended it

You were all I wanted

But not like this

Not like this

Not like this

Oh, all you had to do was...

Stay

Hey, all you had to do was stay

Had me in the palm of your hand

Then why'd you have to go and lock me out when I let you in?

Stay

Hey, now you say you want it back

Now that it's just too late

Well, could've been easy

All you had to do was stay

Hey, all you had to do was stay

Had me in the palm of your hand

Then why'd you have to go and lock me out when I let you in?

Stay

Hey, now you say you want it back

Now that it's just too late

Well, could've been easy

(All you had to do was stay)

All you had to do was stay

All you had to do was stay

All you had to do was stay
All you had to do was stay
All you had to do was stay

"Shake It Off (Taylor's Version)"

I stay out too late
Got nothing in my brain
That's what people say, mmm-mmm
That's what people say, mmm-mmm

I go on too many dates
But I can't make them stay
At least that's what people say, mmm-mmm
That's what people say, mmm-mmm

But I keep cruising
Can't stop, won't stop moving
It's like I got this music
In my mind
Saying, "It's gonna be alright."

'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heart-breakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

I never miss a beat
I'm lightning on my feet
And that's what they don't see, mmm-mmm
That's what they don't see, mmm-mmm

I'm dancing on my own (dancing on my own)
I make the moves up as I go (moves up as I go)
And that's what they don't know, mmm-mmm
That's what they don't know, mmm-mmm

But I keep cruising
Can't stop, won't stop grooving
It's like I got this music
In my mind
Saying, "It's gonna be alright."

'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heart-breakers gonna break, break, break, break, break
And the fakers gonna fake, fake, fake, fake, fake
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

Shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off

Hey, hey, hey
Just think while you've been getting down and out about the liars and the dirty, dirty
cheats of the world,
You could've been getting down to this sick beat.

My ex-man brought his new girlfriend
She's like "Oh, my God!" but I'm just gonna shake.
And to the fella over there with the hella good hair
Won't you come on over, baby? We can shake, shake, shake

Yeah ohhh

'Cause the players gonna play, play, play, play, play
And the haters gonna hate, hate, hate, hate, hate (haters gonna hate)
I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off
Heart-breakers gonna break, break, break, break, break (mmmm)
And the fakers gonna fake, fake, fake, fake, fake (and fake, and fake, and fake)
Baby, I'm just gonna shake, shake, shake, shake, shake
I shake it off, I shake it off

Shake it off, I shake it off,

I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off
I, I, I shake it off, I shake it off

Shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off

Shake it off, I shake it off,
I, I, I shake it off, I shake it off (you've got to),
I, I, I shake it off, I shake it off,
I, I, I shake it off, I shake it off

"I Wish You Would (Taylor's Version)"

It's 2 AM in your car
Windows down, you pass my street, the memories start
You say it's in the past, you drive straight ahead
You're thinking that I hate you now
'Cause you still don't know what I never said

I wish you would come back
Wish I never hung up the phone like I did
I wish you knew that I'd never forget you as long as I live
And I wish you were right here, right now, it's all good
I wish you would

It's 2 AM in my room
Headlights pass the window pane, I think of you
We're a crooked love in a straight line down
Makes you wanna run and hide
But it makes you turn right back around

I wish you would come back
Wish I never hung up the phone like I did
I wish you knew that I'd never forget you as long as I live
And I wish you were right here, right now, it's all good
I wish you would

I wish we could go back

And remember what we were fighting for
And I wish you knew that I miss you too much to be mad anymore
And I wish you were right here, right now, it's all good
I wish you would

I, I, I, I, I, I wish, I wish
I, I, I, I, I, I wish, I wish
I, I, I, I, I, I wish, I wish

You always knew how to push my buttons
You give me everything and nothing
This mad mad love makes you come running
To stand back where you stood
I wish you would, I wish you would
(I wish you would, I wish you would)
I wish you would, I wish you would
(I wish you would, I wish you would)

(I wish I, wish I)

2 AM, here we are
See your face, hear my voice in the dark
We're a crooked love in a straight line down
Makes you wanna run and hide
But it made us turn right back around

I wish you would come back
Wish I never hung up the phone like I did
I wish you knew that I'd never forget you as long as I live
I wish you were right here, right now, it's all good
I wish you would

I wish you would come back
Wish I never hung up the phone like I did
I wish you knew that I'd never forget you as long as I live
I wish you were right here, right now, it's all good
I wish you would

I wish we could go back
And remember what we were fighting for
I wish you knew that I miss you too much to be mad anymore
I wish you were right here, right now, it's all good

I wish you would

You always knew how to push my buttons
You give me everything and nothing
This mad mad love makes you come running
To stand back where you stood
I wish you would, I wish you would
(I wish you would, I wish you would)
I wish you would, I wish you would
(I wish you would, I wish you would)

I, I, I, I, I, I wish, I wish
I, I, I, I, I, I wish, I wish
I, I, I, I, I, I wish, I wish you would

"Bad Blood (Taylor's Version)"

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause, baby, now we got bad blood
Hey
Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

Did you have to do this? I was thinking that you could be trusted
Did you have to ruin what was shiny? Now it's all rusted
Did you have to hit me where I'm weak? Baby, I couldn't breathe
And rub it in so deep, salt in the wound like you're laughing right at me

Oh, it's so sad to think about the good times, you and I

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause, baby, now we got bad blood
Hey
Now we got problems

And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

Did you think we'd be fine? Still got scars on my back from your knife
So don't think it's in the past, these kinda wounds they last and they last
Now did you think it all through? All these things will catch up to you
And time can heal but this won't, so if you're coming my way, just don't

Oh, it's so sad to think about the good times, you and I

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done
'Cause, baby, now we got bad blood
Hey
Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

Band-aids don't fix bullet holes
You say sorry just for show
If you live like that, you live with ghosts (ghosts)
Band-aids don't fix bullet holes (hey)
You say sorry just for show (hey)
If you live like that, you live with ghosts (hey)
Mhmmm
If you love like that blood runs cold

'Cause, baby, now we got bad blood
You know it used to be mad love (mad love)
So take a look what you've done
'Cause, baby, now we got bad blood
Hey
Now we got problems
And I don't think we can solve them (think we can solve them)
You made a really deep cut
And, baby, now we got bad blood
(Hey)

'Cause, baby, now we got bad blood
You know it used to be mad love
So take a look what you've done (look what you've done)
'Cause, baby, now we got bad blood
Hey
Now we got problems
And I don't think we can solve them
You made a really deep cut
And, baby, now we got bad blood
Hey

"Wildest Dreams (Taylor's Version)"

He said, "Let's get out of this town
Drive out of this city, away from the crowds"
I thought, "Heaven can't help me now"
Nothing lasts forever
But this is gonna take me down

He's so tall and handsome as hell
He's so bad, but he does it so well
I can see the end as it begins
My one condition is

Say you'll remember me
Standin' in a nice dress
Starin' at the sunset, babe
Red lips and rosy cheeks
Say you'll see me again
Even if it's just in your
Wildest dreams, ah, ha
Wildest dreams, ah, ha

I said, "No one has to know what we do"
His hands are in my hair, his clothes are in my room
And his voice is a familiar sound
Nothin' lasts forever
But this is gettin' good now

He's so tall and handsome as hell

He's so bad, but he does it so well
And when we've had our very last kiss
My last request is

Say you'll remember me
Standin' in a nice dress
Starin' at the sunset, babe
Red lips and rosy cheeks
Say you'll see me again
Even if it's just in your
Wildest dreams, ah, ha (Ha, ha)
Wildest dreams, ah, ha

You'll see me in hindsight
Tangled up with you all night
Burnin' it down
Someday, when you leave me
I bet these memories
Follow you around
You'll see me in hindsight
Tangled up with you all night
Burnin' (Burnin') it (It) down (Down)
Someday, when you leave me
I bet these memories
Follow (Follow) you (You) around
(Follow you around)

Say you'll remember me
Standing in a nice dress
Starin' at the sunset, babe
Red lips and rosy cheeks
Say you'll see me again
Even if it's just pretend

Say you'll remember me
Standin' in a nice dress
Starin' at the sunset, babe
Red lips and rosy cheeks
Say you'll see me again
Even if it's just in your (Just pretend, just pretend)
Wildest dreams, ah, ha (Ah)
In your wildest dreams, ah, ha

Even if it's just in your
In your wildest dreams, ah, ha
In your wildest dreams, ah, ha

"How You Get The Girl (Taylor's Version)"

Oh, oh, oh
Oh, oh, oh
Oh-oh, oh-oh

Stand there like a ghost
Shaking from the rain, rain
She'll open up the door and say, "Are you insane?"
Say it's been a long six months
And you were too afraid to tell her what you want, want

And that's how it works
That's how you get the girl
And then, you say

I want you for worse or for better
I would wait forever and ever
Broke your heart, I'll put it back together
I would wait forever and ever
And that's how it works
That's how you get the girl, girl (Oh-oh, oh)
And that's how it works
That's how you get the girl, girl

Remind her how it used to be, be, yeah-yeah
With pictures in frames of kisses on cheeks, cheeks
Tell her how you must have lost your mind, ooh-ooh
When you left her all alone
And never told her why, why

And that's how it works
That's how you lost the girl
And now, you say

I want you for worse or for better
I would wait forever and ever (Ever and ever)

Broke your heart, I'll put it back together
I would wait forever and ever
And that's how it works
That's how you get the girl, girl (Oh-oh, oh-oh)
And that's how it works
That's how you get the girl, girl
Yeah, yeah

And you know
Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh
That I don't want you to go, oh, oh

Remind me how it used to be
Pictures in frames of kisses on cheeks
And say you want me, yeah-yeah
And then you say

'Cause I want you for worse or for better (Worse or for better)
I would wait forever and ever (Ever and ever)
Broke your heart, I'll put it back together
I would wait forever and ever (I want you forever and ever)
And that's how it works
That's how you get the girl, girl (This is how it works)
And that's how it works
That's how you get the girl, girl (Get the girl)
(That's how it works)
And that's how it works
That's how you get the girl, girl
(Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh)
And that's how it works
That's how you get the girl, girl
(Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh)

That's how it works
That's how you got the girl

"This Love (Taylor's Version)"

Clear blue water
High tide came and brought you in
And I could go on and on, on and on and I will

Skies grew darker
Currents swept you out again
And you were just gone and gone, gone and gone

In silent screams and wildest dreams
I never dreamed of this

This love is good, this love is bad
This love is alive back from the dead, oh-oh, oh
These hands had to let it go free, and
This love came back to me, oh-oh, oh
Oh-oh, oh, oh-oh, oh

Tossing, turning
Struggled through the night with someone new
And I could go on and on, on and on
Lantern, burning
Flickered in my mind, only you
But you were still gone, gone, gone

Been losing grip, on sinking ships
You showed up just in time

This love is good, this love is bad
This love is alive back from the dead, oh-oh, oh
These hands had to let it go free, and
This love came back to me, oh-oh, oh
This love left a permanent mark
This love is glowing in the dark, oh-oh, oh
These hands had to let it go free, and
This love came back to me, oh-oh, oh

(This love, this love, this love, this love, oh)
(This love, this love, this love, this love, oh)
(This love, this love, this love, this love, oh)
(This love, this love, this love, this love, oh)

Your kiss, my cheek
I watched you leave
Your smile, my ghost
I fell to my knees
When you're young, you just run

But you come back to what you need

This love is good, this love is bad
This love is alive back from the dead, oh-oh, oh
These hands had to let it go free, and
This love came back to me, oh-oh, oh
(This love) This love left a permanent mark
(This love) This love is glowing in the dark, oh-oh, oh
(This love) These hands had to let it go free, and
(This love) This love came back to me, oh-oh, oh

(This love, this love, this love, this love, oh)
(This love, this love, this love, this love, oh)
(This love, this love, this love, this love)
This love, this love came back to me, oh-oh, oh

"I Know Places (Taylor's Version)"

(l, l, l, l, l, l, l, l, l, l, l, l, l)

You stand with your hand on my waistline
It's a scene and we're out here in plain sight
I can hear them whisper as we pass by
It's a bad sign, bad sign
Something happens when everybody finds out
See the vultures circling dark clouds
Love's a fragile little flame, it could burn out
It could burn out

'Cause they got the cages, they got the boxes
And guns
They are the hunters, we are the foxes
And we run

Baby, I know places we won't be found
And they'll be chasing their tails tryin' to track us down
'Cause I, I know places we can hide
I know places, I know places

Lights flash and we'll run for the fences
Let them say what they want, we won't hear it

Loose lips sink ships all the damn time
Not this time

Just grab my hand and don't ever drop it
My love
They are the hunters, we are the foxes
And we run

Baby, I know places we won't be found
And they'll be chasing their tails tryin' to track us down
'Cause I, I know places we can hide
I know places

They are the hunters, we are the foxes
And we run
Just grab my hand and don't ever drop it
My love

Baby, I know places we won't be found
And they'll be chasing their tails tryin' to track us down
'Cause I, I know places we can hide
I know places

They take their shots, but we're bulletproof
I know places
And you know for me, it's always you
I know places
In the dead of night, your eyes so green
I know places
And I know for you, it's always me
I know places

(l, l, l, l, l, l, l, l, l, l, l, l, l)

"Clean (Taylor's Version)"

The drought was the very worst (Oh-oh, oh-oh)
When the flowers that we'd grown together died of thirst
It was months and months of back and forth (Oh-oh, oh-oh)
You're still all over me
Like a wine-stained dress I can't wear anymore

Hung my head as I lost the war
And the sky turned black like a perfect storm

Rain came pouring down
When I was drowning, that's when I could finally breathe
And by morning
Gone was any trace of you, I think I am finally clean
(Oh, oh, oh, oh)

There was nothing left to do (Oh-oh, oh-oh)
When the butterflies turned to
Dust that covered my whole room
So I punched a hole in the roof (Oh-oh, oh-oh)
Let the flood carry away all my pictures of you

The water filled my lungs, I screamed so loud
But no one heard a thing

Rain came pouring down
When I was drowning, that's when I could finally breathe
And by morning
Gone was any trace of you, I think I am finally clean
(Oh, oh, oh, oh)
I think I am finally clean
(Oh, oh)
Oh, oh, oh, oh, oh-oh
Said, I think I am finally clean
(Oh, oh)
Oh, oh, oh, oh, oh-oh

Ten months sober, I must admit
Just because you're clean, don't mean you don't miss it
Ten months older, I won't give in
Now that I'm clean, I'm never gonna risk it

The drought was the very worst (Oh-oh, oh-oh)
When the flowers that we'd grown together died of thirst
(Oh)

The rain came pouring down
When I was drowning, that's when I could finally breathe

And by morning
Gone was any trace of you, I think I am finally clean
Rain came pouring down
When I was drowning, that's when I could finally breathe
And by morning
Gone was any trace of you, I think I am finally clean

(Oh, oh)
Finally clean
Think I'm finally clean
(Oh, oh)
Oh-oh, oh-oh
(Oh, oh, oh)
Think I'm finally clean

"Wonderland (Taylor's Version)"

Flashing lights and we
Took a wrong turn and we
Fell down a rabbit hole

You held on tight to me
'Cause nothing's as it seems
And spinning out of control

Didn't they tell us don't rush into things?
Didn't you flash your green eyes at me?
Haven't you heard what becomes of curious minds?

Oh

Didn't it all seem new and exciting?
I felt your arms twisting around me
I should have slept with one eye open at night

We found wonderland
You and I got lost in it
And we pretended it could last forever
Eh
We found wonderland
You and I got lost in it

And life was never worse but never better
Eh eh

Eh eh eh eh eh
In wonderland
Eh eh eh eh eh
In wonderland
Eh eh eh eh eh
In wonderland
Eh eh eh eh eh
In wonderland

So we went on our way
Too in love to think straight
All alone or so it seemed

But there were strangers watching
And whispers turned to talking
And talking turned to screams

Oh

Didn't they tell us don't rush into things?
Didn't you flash your green eyes at me?
Didn't you calm my fears with a Cheshire cat smile?

Oh

Didn't it all seem new and exciting?
I felt your arms twisting around me
It's all fun and games 'til somebody loses their mind

But darling, we found wonderland
You and I got lost in it
And we pretended it could last forever
Eh
We found wonderland
You and I got lost in it
And life was never worse but never better
Eh eh

Eh eh eh eh eh

In wonderland
Eh eh eh eh eh
In wonderland
Eh eh eh eh eh
In wonderland
Eh eh eh eh eh
In wonderland

I reached for you but you were gone
I knew I had to go back home
You searched the world for something else to make you feel like what we had
And in the end in wonderland we both went mad

Oh

We found wonderland
You and I got lost in it
And we pretended it could last forever (last forever)
Eh eh
We found wonderland
You and I got lost in it (got lost in it)
And life was never worse but never better (never better)
Eh eh

We found wonderland
You and I got lost in it (wonderland)
And we pretended it could last forever (in wonderland)

We found wonderland
You and I got lost in it (wonderland)
And life was never worse but never better
In wonderland

"You Are In Love (Taylor's Version)"

One look, dark room
Meant just for you
Time moved too fast
You play it back
Buttons on a coat
Lighthearted joke

No proof, not much
But you saw enough
Small talk, he drives
Coffee at midnight
The light reflects
The chain on your neck
He says, "Look up."
And your shoulders brush
No proof, one touch
But you felt enough

You can hear it in the silence (silence), silence (silence) you
You can feel it on the way home (way home), way home (way home) you
You can see it with the lights out (lights out), lights out (lights out)
You are in love, true love
You are in love

Morning, his place
Burnt toast, Sunday
You keep his shirt
He keeps his word
And for once you let go
Of your fears and your ghosts
One step, not much
But it said enough
You kiss on sidewalks
You fight then you talk
One night he wakes
Strange look on his face
Pauses, then says
"You're my best friend."
And you knew what it was
He is in love

You can hear it in the silence (silence), silence (silence) you
You can feel it on the way home (way home), way home (way home) you
You can see it with the lights out (lights out), lights out (lights out)
You are in love, true love

And so it goes
You two are dancing in a snow globe 'round and 'round
And he keeps a picture of you in his office downtown

And you understand now why they lost their minds and fought the wars
And why I've spent my whole life trying to put it into words

'Cause you can hear it in the silence
You can feel it on the way home
You can see it with the lights out
You are in love, true love
You're in love

You can hear it in the silence (silence), silence (silence) you
You can feel it on the way home (way home), way home (way home) you
You can see it with the lights out (lights out), lights out (lights out)
You are in love, true love
You are in love

You can hear it in the silence (silence), silence (silence) you
You can feel it on the way home (way home), way home (way home) you
You can see it with the lights out (lights out), lights out (lights out)
You are in love, true love
You are in love

"New Romantics (Taylor's Version)"

We're all bored, we're all so tired of everything
We wait for trains that just aren't coming
We show off our different scarlet letters
Trust me, mine is better

We're so young but we're on the road to ruin
We play dumb but we know exactly what we're doing
We cry tears of mascara in the bathroom
Honey, life is just a classroom

'Cause baby, I could build a castle
Out of all the bricks they threw at me
And every day is like a battle
But every night with us is like a dream

Baby, we're the new romantics
Come on, come along with me
Heartbreak is the national anthem

We sing it proudly
We are too busy dancing
To get knocked off our feet
Baby, we're the new romantics
The best people in life are free

We're all here, the lights and noise are blinding
We hang back, it's all in the timing
It's poker, he can't see it in my face
But I'm about to play my Ace

We need love, but all we want is danger
We team up then switch sides like a record changer
The rumors are terrible and cruel
But, honey, most of them are true

'Cause baby, I could build a castle
Out of all the bricks they threw at me
And every day is like a battle
But every night with us is like a dream

Baby, we're the new romantics
Come on, come along with me
Heartbreak is the national anthem
We sing it proudly
We are too busy dancing
To get knocked off our feet
Baby, we're the new romantics
The best people in life are free

So come on, come along with me
The best people in life are free

Please take my hand and
Please take me dancing and
Please leave me stranded
It's so romantic (it's so romantic)
(Ah, ah, ah, ah, ah, ah)

Oh, 'cause baby, I could build a castle
Out of all the bricks they threw at me
And every day is like a battle

But every night with us is like a dream

'Cause baby, I could build a castle (castle)

Out of all the bricks they threw at me

And every day is like a battle

But every night with us is like a dream

Baby, we're the new romantics

Come on, come along with me

Heartbreak is the national anthem

We sing it proudly

We are too busy dancing

To get knocked off our feet

Baby, we're the new romantics

The best people in life are free

""Slut!" (Taylor's Version) (From the Vault)"

Flamingo pink, Sunrise Boulevard

Clink, clink, being this young is art

Aquamarine, moonlit swimmin' pool

What if all I need is you?

Got love-struck, went straight to my head

Got lovesick all over my bed

Love to think you'll never forget

Handprints in wet cement

Adorned with smoke on my clothes

Lovelorn and nobody knows

Love thorns all over this rose

I'll pay the price, you won't

But if I'm all dressed up

They might as well be lookin' at us

And if they call me a slut

You know it might be worth it for once

And if I'm gonna be drunk

I might as well be drunk in love

Send the code, he's waitin' there

The sticks and stones they throw froze mid-air

Everyone wants him, that was my crime
The wrong place at the right time
And I break down, then he's pullin' me in
In a world of boys, he's a gentleman

Got love-struck, went straight to my head (Straight to my head)
Got lovesick all over my bed (Over my bed)
Love to think you'll never forget
We'll pay the price, I guess

But if I'm all dressed up (If I'm all dressed up)
They might as well be lookin' at us (Lookin' at us)
And if they call me a slut (If they call me a slut)
You know it might be worth it for once (Worth it for once)
And if I'm gonna be drunk
I might as well be drunk in love

Half asleep, takin' your time
In the tangerine, neon light, this is luxury
You're not sayin' you're in love with me
But you're going to
Half awake, takin' your chances
It's a big mistake, I said, "It might blow up in your pretty face"
I'm not saying, "Do it anyway" (Do it anyway)
But you're going to

(Up)
And if they call me a (Slut)
You know it might be worth it for once
And if I'm gonna be (Drunk)
I might as well be drunk in love

"Say Don't Go (Taylor's Version) (From the Vault)"

I've known it from the very start
We're a shot in the darkest dark
Oh no, oh no
I'm unarmed
The waiting is a sadness
Fading into madness
Oh no, oh no

It won't stop

I'm standing on a tightrope, alone
I hold my breath a little bit longer
Halfway out the door, but it won't close
I'm holding out hope for you to say, "Don't go"
I would stay forever if you say, "Don't go"

Why'd you have to lead me on?
Why'd you have to twist the knife?
Walk away and leave me bleeding, bleeding
Why'd you whisper in the dark
Just to leave me in the night?
Now your silence has me screaming, screaming
Say, "Don't go" (Say, "Don't go")
I would stay forever if you say, "Don't go" (Say, "Don't go")
Say, say, say, say

Now I'm pacing on shaky ground
Strike a match, then you blow it out
Oh no, oh no
It's not fair
'Cause you kiss me and it stops time
And I'm yours, but you're not mine
Oh no, oh no
You're not there

I'm standing on the sidewalk, alone
I wait for you to drive by
I was trying to see the cards that you won't show
I'm about to fold unless you say, "Don't go" (Say, "Don't go")
I would stay forever if you say, "Don't go" (Say, "Don't go")
Oh-ah

Why'd you have to lead me on?
Why'd you have to twist the knife?
Walk away and leave me bleeding, bleeding
Why'd you whisper in the dark
Just to leave me in the night?
Now your silence has me screaming, screaming
Say, "Don't go" (Say, "Don't go")
I would stay forever if you say, "Don't go" (Say, "Don't go")

Say, say, say, say

Why'd you have to make me want you? (Why'd you have to make me want you?)

Why'd you have to give me nothing back? (Why'd you have to)

Why'd you have to make me love you? (Why'd you have to make me love you?)

I said, "I love you," you say nothing back (I said, "I love you")

Why'd you have to lead me on?

Why'd you have to twist the knife?

Walk away and leave me bleeding, bleeding

Why'd you whisper in the dark

Just to leave me in the night?

Now your silence has me screaming, screaming

Say, "Don't go" (Say, "Don't go")

I would stay forever if you say, "Don't go" (Say, "Don't go")

Say, say, say, say

But you won't

But you won't

But you won't

I would stay forever if you say, "Don't go"

But you won't

But you won't

But you won't

"Now That We Don't Talk (Taylor's Version) (From the Vault)"

You went to a party, I heard from everybody

You part the crowd like the Red Sea, don't even get me started

Did you get anxious though, on the way home?

I guess I'll never, ever know

Now that we don't talk

You grew your hair long, you got new icons

And from the outside, it looks like you're trying lives on

I miss the old ways, you didn't have to change

But I guess I don't have a say

Now that we don't talk

I called my mom, she said that it was for the best

Remind myself the more I gave, you'd want me less

I cannot be your friend, so I pay the price of what I lost
And what it cost
Now that we don't talk

What do you tell your friends we
Shared dinners, long weekends with?
Truth is, I can't pretend it's
Platonic, it's just ended, so

I called my mom, she said to get it off my chest (Off my chest)
Remind myself the way you faded till I left (Till I left)
I cannot be your friend, so I pay the price of what I lost (What I lost)
And what it cost
Now that we don't talk

I don't have to pretend I like acid rock
Or that I'd like to be on a mega-yacht
With important men who think important thoughts
Guess maybe I am better off
Now that we don't talk

And the only way back to my dignity
Was to turn into a shrouded mystery
Just like I had been when you were chasing me
Guess this is how it has to be
Now that we don't talk

"Suburban Legends (Taylor's Version) (From the Vault)"

You had people who called you on unmarked numbers
In my peripheral vision
I let it slide like a hose on a slippery plastic summer
All was quickly forgiven
You were so magnetic, it was almost obnoxious
Flush with the currency of cool
I was always turning out my empty pockets
And when it came to you

I didn't come here to make friends
We were born to be suburban legends
When you hold me, it holds me together

And you kiss me in a way that's gonna screw me up forever

I had the fantasy that maybe our mismatched star signs
Would surprise the whole school
When I ended up back at our class reunion
Walking in with you
You'd be more than a chapter in my old diaries
With the pages ripped out
I am standing in a 1950s gymnasium
And I can still see you now

I didn't come here to make friends
We were born to be suburban legends
When you hold me, it holds me together
And you kiss me in a way that's gonna screw me up forever

I know that you still remember
We were born to be national treasures
When you told me we'd get back together
And you kissed me in a way that's gonna screw me up forever

Tick-tock on the clock, I pace down your block
I broke my own heart 'cause you were too polite to do it
Waves crash on the shore, I dash to the door
You don't knock anymore, and my whole life's ruined

Tick-tock on the clock, I pace down your block
I broke my own heart 'cause you were too polite to do it
Waves crash to the shore, I dash to the door
You don't knock anymore, and I always knew it
And my life had been ruined

"Is It Over Now? (Taylor's Version) (From the Vault)"

Once the flight had flown
With the wilt of the rose
I slept all alone
You still wouldn't go

Let's fast forward to 300 takeout coffees later
I see your profile and your smile on unsuspecting waiters

You dream of my mouth before it called you a lying traitor
You search in every maiden's bed for something greater

Baby, was it over when she laid down on your couch?
Was it over when he unbuttoned my blouse?
"Come here," I whispered in your ear in your dream as you passed out
Baby, was it over then?
And is it over now?

When you lost control
Red blood, white snow
Blue dress on a boat
Your new girl is my clone

And did you think I didn't see you? There were flashing lights
At least I had the decency to keep my nights out of sight
Only rumors 'bout my hips and thighs, and my whispered sighs
Oh Lord, I think about jumping
Off of very tall somethings
Just to see you come running
And say the one thing I've been wanting
But no!

Let's fast forward to 300 awkward blind dates later
If she's got blue eyes, I will surmise that you'll probably date her
You dream of my mouth before it called you a lying traitor
You search in every model's bed for something greater

Baby, was it over when she laid down on your couch?
Was it over when he unbuttoned my blouse?
"Come here," I whispered in your ear in your dream as you passed out
Baby, was it over then?
And is it over now?

Think I didn't see you? There were flashing lights
At least I had the decency to keep my nights out of sight
Only rumors 'bout my hips and thighs, and my whispered sighs
Oh Lord, I think about jumping
Off of very tall somethings
Just to see you come running (Running)
And say the one thing I've been wanting
But no!

(Flashing lights, oh Lord) Let's fast forward to 300 takeout coffees later
(Flashing lights) I was hoping you'd be there
And say the one thing I've been wanting – but no
