

***"Taylor Swift" (released October 24, 2006)***

**"Tim McGraw"**

He said the way my blue eyes shined  
Put those Georgia stars to shame that night  
I said, "That's a lie"  
Just a boy in a Chevy truck  
That had a tendency of gettin' stuck  
On back roads at night  
And I was right there beside him all summer long  
And then the time we woke up to find that summer gone

But when you think Tim McGraw  
I hope you think my favorite song  
The one we danced to all night long  
The moon like a spotlight on the lake  
When you think happiness  
I hope you think that little black dress  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw  
I hope you think of me

September saw a month of tears  
And thankin' God that you weren't here  
To see me like that  
But in a box beneath my bed  
Is a letter that you never read  
From three summers back  
It's hard not to find it all a little bittersweet  
And lookin' back on all of that, it's nice to believe

When you think Tim McGraw  
I hope you think my favorite song  
The one we danced to all night long  
The moon like a spotlight on the lake  
When you think happiness  
I hope you think that little black dress  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw

I hope you think of me

And I'm back for the first time since then  
I'm standin' on your street  
And there's a letter left on your doorstep  
And the first thing that you'll read is:

"When you think Tim McGraw  
I hope you think my favorite song  
Someday you'll turn your radio on  
I hope it takes you back to that place"

When you think happiness  
I hope you think that little black dress  
Think of my head on your chest  
And my old faded blue jeans  
When you think Tim McGraw  
I hope you think of me

Oh, think of me  
Mmmm

He said the way my blue eyes shined  
Put those Georgia stars to shame that night  
I said, "That's a lie"

### "Picture To Burn"

State the obvious, I didn't get my perfect fantasy  
I realize you love yourself more than you could ever love me  
So go and tell your friends that I'm obsessive and crazy  
That's fine I'll tell mine that you're gay!  
By the way...

I hate that stupid old pickup truck  
You never let me drive  
You're a redneck heartbreak  
Who's really bad at lying  
So watch me strike a match  
On all my wasted time  
As far as I'm concerned

You're just another picture to burn!

There's no time for tears  
I'm just sitting here planning my revenge  
There's nothing stopping me  
From going out with all of your best friends  
And if you come around saying sorry to me  
My daddy's gonna show you how sorry you'll be

'Cause I hate that stupid old pickup truck  
You never let me drive  
You're a redneck heartbreak  
Who's really bad at lying  
So watch me strike a match  
On all my wasted time  
As far as I'm concerned  
You're just another picture to burn!

And if you're missing me  
You'd better keep it to yourself  
'Cause coming back around here  
Would be bad for your health...

'Cause I hate that stupid old pickup truck  
You never let me drive  
You're a redneck heartbreak  
Who's really bad at lying  
So watch me strike a match  
On all my wasted time  
In case you haven't heard  
I really really hate that...

Stupid old pickup truck  
You never let me drive  
You're a redneck heartbreak  
Who's really bad at lying  
So watch me strike a match  
On all my wasted time  
As far as I'm concerned  
You're just another picture to burn!

Burn, burn, burn, baby, burn

You're just another picture to burn  
Baby, burn...

### "Teardrops On My Guitar"

Drew looks at me  
I fake a smile so he won't see  
That I want and I'm needing  
Everything that we should be

I'll bet she's beautiful, that girl he talks about  
And she's got everything that I have to live without

Drew talks to me  
I laugh 'cause it's just so funny  
That I can't even see  
Anyone when he's with me

He says he's so in love, he's finally got it right  
I wonder if he knows he's all I think about at night

He's the reason for the teardrops on my guitar  
The only thing that keeps me wishing on a wishing star  
He's the song in the car I keep singing. Don't know why I do

Drew walks by me  
Can he tell that I can't breathe?  
And there he goes, so perfectly  
The kind of flawless I wish I could be

She'd better hold him tight, give him all her love  
Look in those beautiful eyes and know she's lucky 'cause

He's the reason for the teardrops on my guitar  
The only thing that keeps me wishing on a wishing star  
He's the song in the car I keep singing. Don't know why I do

So, I drive home alone  
As I turn out the light  
I'll put his picture down  
And maybe get some sleep tonight

'Cause he's the reason for the teardrops on my guitar  
The only one who's got enough of me to break my heart  
He's the song in the car I keep singing. Don't know why I do

He's the time taken up, but there's never enough  
And he's all that I need to fall into

Drew looks at me  
I fake a smile so he won't see

### "A Place In This World"

I don't know what I want, so don't ask me  
'Cause I'm still trying to figure it out  
Don't know what's down this road, I'm just walking  
Trying to see through the rain coming down  
Even though I'm not the only one  
Who feels the way I do

I'm alone, on my own, and that's all I know  
I'll be strong, I'll be wrong, oh but life goes on  
Oh, I'm just a girl, trying to find a place in this world

Got the radio on, my old blue jeans  
And I'm wearing my heart on my sleeve  
Feeling lucky today, got the sunshine  
Could you tell me what more do I need  
And tomorrow's just a mystery, oh yeah  
But that's OK

I'm alone, on my own, and that's all I know  
I'll be strong, I'll be wrong, oh but life goes on  
Oh, I'm just a girl, trying to find a place in this world

Maybe I'm just a girl on a mission  
But I'm ready to fly

I'm alone, on my own, and that's all I know  
I'll be strong, I'll be wrong, oh but life goes on  
Oh I'm alone, on my own, and that's all I know

Oh I'm just a girl, trying to find a place in this world

Oh I'm just a girl

Oh I'm just a girl, oh, oh

Oh I'm just a girl

### "Cold As You"

You have a way of coming easily to me

And when you take, you take the very best of me

So I start a fight 'cause I need to feel something

And you do what you want 'cause I'm not what you wanted

Oh, what a shame, what a rainy ending given to a perfect day

Just walk away, ain't no use defending words that you will never say

And now that I'm sitting here thinking it through

I've never been anywhere cold as you

You put up walls and paint them all a shade of gray

And I stood there loving you and wished them all away

And you come away with a great little story

Of a mess of a dreamer with the nerve to adore you

Oh, what a shame, what a rainy ending given to a perfect day

So just walk away, ain't no use defending words that you will never say

And now that I'm sitting here thinking it through

I've never been anywhere cold as you

You never did give a damn thing, honey, but I cried, cried for you

And I know you wouldn't have told nobody if I died, died for you, died for you

Oh, what a shame, what a rainy ending given to a perfect day

Every smile you fake is so condescending counting all the scars you made

And now that I'm sitting here thinking it through

I've never been anywhere cold as you

### "The Outside"

I didn't know what I would find

When I went looking for a reason

I know I didn't read between the lines  
And, baby, I've got nowhere to go

I tried to take the road less traveled by  
But nothing seems to work the first few times  
Am I right?

So how can I ever try to be better?  
Nobody ever lets me in  
I can still see you  
This ain't the best view  
On the outside looking in  
And I've been a lot of lonely places  
I've never been on the outside

You saw me there, but never knew  
That I would give it all up to be  
A part of this, a part of you  
And now it's all too late. So you see

You could've helped if you had wanted to  
But no one notices until it's too late to do anything

So how can I ever try to be better?  
Nobody ever lets me in  
I can still see you  
This ain't the best view  
On the outside looking in  
And I've been a lot of lonely places  
I've never been on the outside

Oh, yeah

So how can I ever try to be better?  
Nobody ever lets me in  
And I can still see you  
This ain't the best view  
On the outside looking in  
And I've been a lot of lonely places  
I've never been on the outside

## "Tied Together With A Smile"

Seems the only one who doesn't see your beauty  
Is the face in the mirror looking back at you  
You walk around here thinking you're not pretty  
But that's not true 'cause I know you

Hold on, baby, you're losing it  
The water's high, you're jumping into it  
And letting go  
And no one knows  
That you cry, but you don't tell anyone  
That you might not be the golden one  
And you're tied together with a smile  
But you're coming undone

I guess it's true that love was all you wanted  
'Cause you're giving it away like it's extra change  
Hoping it will end up in his pocket  
But he leaves you out like a penny in the rain

Oh, 'cause it's not his price to pay  
It's not his price to pay

Hold on, baby, you're losing it  
The water's high, you're jumping into it  
And letting go  
And no one knows  
That you cry, but you don't tell anyone  
That you might not be the golden one  
And you're tied together with a smile  
But you're coming undone

Hold on, baby, you're losing it  
The water's high, you're jumping into it  
And letting go  
And no one knows  
That you cry, but you don't tell anyone  
That you might not be the golden one  
And you're tied together with a smile  
But you're coming undone

You're tied together with a smile  
But you're coming undone  
Goodbye, baby  
With a smile, baby, baby

### "Stay Beautiful"

Cory's eyes are like a jungle  
He smiles, it's like the radio  
He whispers songs into my window  
In words that nobody knows  
There's pretty girls on every corner  
That watch him as he's walking home  
Saying, "Does he know?"  
Will you ever know?

You're beautiful  
Every little piece love  
And don't you know  
You're really gonna be someone  
Ask anyone  
And when you find everything you looked for  
I hope your life leads you back to my door  
Oh, but if it don't  
Stay beautiful

Cory finds another way to be  
The highlight of my day  
I'm taking pictures in my mind  
So I can save them for a rainy day  
It's hard to make a conversation  
When he's taking my breath away  
I should say, hey, by the way

You're beautiful  
Every little piece love  
And don't you know  
You're really gonna be someone  
Ask anyone  
And when you find everything you looked for  
I hope your life leads you back to my door

Oh, but if it don't  
Stay beautiful

If you and I are a story  
That never gets told  
If what you are is a daydream  
I'll never get to hold  
At least you'll know

You're beautiful  
Every little piece love  
And don't you know  
You're really gonna be someone  
Ask anyone  
And when you find everything you looked for  
I hope your life leads you back to my front door  
Oh, but if it don't  
Will you stay  
Beautiful, beautiful, beautiful  
Beautiful, beautiful, beautiful?  
La la la  
Oh, oh, oh, oh  
Oh, but if it don't  
Stay beautiful  
Stay beautiful  
Na, na, na, na, na

### "Should've Said No"

It's strange to think the songs we used to sing  
The smiles, the flowers, everything is gone  
Yesterday I found out about you  
Even now just looking at you feels wrong

You say that you'd take it all back, given one chance  
It was a moment of weakness and you said, "Yes."

You should've said "No", you should've gone home  
You should've thought twice 'fore you let it all go  
You should've known that word  
'Bout what you did with her'd

Get back to me (get back to me).  
And I should've been there in the back of your mind  
I shouldn't be asking myself, "Why?"  
You shouldn't be begging for forgiveness at my feet...  
You should've said "No", baby, and you might still have me

You can see that I've been crying  
And baby, you know all the right things to say  
But do you honestly expect me to believe  
We could ever be the same?

You say that the past is the past, you need one chance  
It was a moment of weakness and you said, "Yes."

You should've said "No", you should've gone home  
You should've thought twice 'fore you let it all go  
You should've known that word  
'Bout what you did with her'd,  
Get back to me (get back to me).  
And I should've been there in the back of your mind  
I shouldn't be asking myself, "Why?"  
You shouldn't be begging for forgiveness at my feet...  
You should've said "No", baby, and you might still have me

I can't resist  
Before you go, tell me this:  
Was it worth it?  
Was she worth this?

No... no, no, no...

You should've said "No", you should've gone home  
You should've thought twice 'fore you let it all go  
You should've known that word  
'Bout what you did with her'd,  
Get back to me (get back to me).  
And I should've been there in the back of your mind  
I shouldn't be asking myself, "Why?"  
You shouldn't be begging for forgiveness at my feet...  
You should've said "No", baby, and you might still have me

## "Mary's Song (Oh My My My)"

She said, I was seven and you were nine  
I looked at you like the stars that shined  
In the sky, the pretty lights  
And our daddies used to joke about the two of us  
Growing up and falling in love and our mamas smiled  
And rolled their eyes and said, "Oh my, my, my"

Take me back to the house in the backyard tree  
Said you'd beat me up, you were bigger than me  
You never did, you never did  
Take me back when our world was one block wide  
I dared you to kiss me and ran when you tried  
Just two kids, you and I  
Oh my, my, my, my

Well, I was sixteen when suddenly  
I wasn't that little girl you used to see  
But your eyes still shined like pretty lights  
And our daddies used to joke about the two of us  
They never believed we'd really fall in love  
And our mamas smiled and rolled their eyes  
And said, "Oh my, my, my"

Take me back to the creek beds we turned up  
Two A.M. riding in your truck and all I need is you next to me  
Take me back to the time we had our very first fight  
The slamming of doors instead of kissing goodnight  
You stayed outside 'til the morning light  
Oh my, my, my, my

A few years had gone and come around  
We were sitting at our favorite spot in town  
And you looked at me, got down on one knee

Take me back to the time when we walked down the aisle  
Our whole town came and our mamas cried  
You said "I do" and I did too  
Take me home where we met so many years before  
We'll rock our babies on that very front porch  
After all this time, you and I

I'll be eighty-seven; you'll be eighty-nine  
I'll still look at you like the stars that shine  
In the sky, oh my, my, my

### "Our Song"

I was riding shotgun  
With my hair undone  
In the front seat of his car  
He's got a one-hand feel  
On the steering wheel  
The other on my heart  
I look around, turn the radio down  
He says, "Baby, is something wrong?"  
I say, "Nothing"  
I was just thinking  
How we don't have a song"  
And he says...

Our song is the slamming screen door  
Sneakin' out late, tapping on your window  
When we're on the phone and you talk real slow  
'Cause it's late and your mama don't know  
Our song is the way you laugh  
The first date: "Man, I didn't kiss her, and I should have."  
And when I got home ... 'fore I said, "Amen"  
Asking God if he could play it again

I was walking up  
The front porch steps  
After everything that day  
Had gone all wrong  
And been trampled on  
And lost and thrown away  
Got to the hallway,  
Well, on my way  
To my lovin' bed  
I almost didn't notice  
All the roses  
And the note that said...

Our song is the slamming screen door  
Sneakin' out late, tapping on your window  
When we're on the phone and you talk real slow  
'Cause it's late and your mama don't know  
Our song is the way you laugh  
The first date: "Man, I didn't kiss her, and I should have"  
And when I got home ... 'fore I said, "Amen"  
Asking God if he could play it again

I've heard every album, listened to the radio  
Waited for something to come along  
That was as good as our song...

'Cause our song is the slamming screen door  
Sneakin' out late, tapping on his window  
When we're on the phone and he talks real slow  
'Cause it's late and his mama don't know  
Our song is the way he laughs  
The first date: "Man, I didn't kiss him, and I should have"  
And when I got home ... 'fore I said, "Amen"  
Asking God if he could play it again  
Play it again

Oh, yeah...  
Oh-oh, yeah

I was riding shotgun  
With my hair undone  
In the front seat of his car  
I grabbed a pen  
And an old napkin  
And I wrote down our song

### "I'm Only Me When I'm With You"

Friday night beneath the stars  
In a field behind your yard  
You and I are paintin' pictures in the sky  
And sometimes we don't say a thing  
Just listen to the crickets sing

Everything I need is right here by my side

And I know everything about you  
I don't wanna live without you

I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do  
Well, you drive me crazy half the time  
The other half I'm only tryna let you know that what I feel is true  
And I'm only me when I'm with you

Just a small town boy and girl  
Livin' in a crazy world  
Tryna figure out what is and isn't true  
And I don't try to hide my tears  
My secrets or my deepest fears  
Through it all nobody gets me like you do

And you know everything about me  
You say that you can't live without me

I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do  
Well, you drive me crazy half the time  
The other half I'm only tryna let you know that what I feel is true  
And I'm only me when I'm with you

When I'm with anybody else  
It's so hard to be myself  
And only you can tell

...That I'm only up when you're not down  
Don't wanna fly if you're still on the ground  
It's like no matter what I do  
Well, you drive me crazy half the time  
The other half I'm only tryna let you know that what I feel is true  
And I'm only me  
Who I wanna be  
Well, I'm only me when I'm with you  
With you

## "Invisible"

She can't see the way your eyes  
Light up when you smile  
She'll never notice how you stop and stare  
Whenever she walks by

And you can't see me wantin' you the way you want her  
But you are everything to me

And I just wanna show you  
She don't even know you  
She's never gonna love you like I want to  
And you just see right through me  
But if you only knew me  
We could be a beautiful  
Miracle  
Unbelievable  
Instead of just invisible

There's a fire inside of you  
That can't help but shine through  
She's never gonna see the light  
No matter what you do

And all I think about is how to make you think of me  
And everything that we could be

I just wanna show you  
She don't even know you  
She's never gonna love you like I want to  
And you just see right through me  
But if you only knew me  
We could be a beautiful  
Miracle  
Unbelievable  
Instead of just invisible

Like shadows in a faded light  
Oh, we're invisible

I just wanna open your eyes  
And make you realize

I just wanna show you  
She don't even know you  
Baby, let me love you  
Let me want you  
You just see right through me  
But if you only knew me  
We could be a beautiful  
Miracle  
Unbelievable  
Instead of just invisible

She can't see the way your eyes  
Light up when you smile

### "A Perfectly Good Heart"

Why would you wanna break a perfectly good heart?  
Why would you wanna take our love and tear it all apart, now?  
Why would you wanna make the very first scar?  
Why would you wanna break a perfectly good heart?

Maybe I should've seen the signs, should've read the writing on the wall  
And realized by the distance in your eyes that I would be the one to fall  
No matter what you say, I still can't believe  
That you would walk away  
It don't make sense to me, but

Why would you wanna break a perfectly good heart?  
Why would you wanna take our love and tear it all apart, now?  
Why would you wanna make the very first scar?  
Why would you wanna break a perfectly good heart?

It's not unbroken anymore  
How do I get it back the way it was before?

Why would you wanna break a perfectly good heart?  
Why would you wanna take our love and tear it all apart, now?  
Why would you wanna make the very first scar?

Why would you wanna break, would you wanna break a

Why would you wanna break a perfectly good heart?

Why would you wanna take our love and tear it all apart, now?

Why would you wanna make the very first scar?

Why would you wanna break a perfectly good heart?
