**"State Of Grace (Taylor's Version)"**

I'm walking fast through the traffic lights  
Busy streets and busy lives  
And all we know is touch and go  
We are alone with our changing minds  
We fall in love till it hurts or bleeds or fades in time

And I never saw you coming  
And I'll never be the same

You come around and the armor falls  
Pierce the room like a cannonball  
Now all we know is don't let go  
We are alone, just you and me  
Up in your room, and our slates are clean  
Just twin fire signs, four blue eyes

So you were never a saint  
And I loved in shades of wrong  
We learn to live with the pain  
Mosaic broken hearts  
But this love is brave and wild

And I never saw you coming  
And I'll never be the same

This is a state of grace  
This is the worthwhile fight  
Love is a ruthless game  
Unless you play it good and right  
These are the hands of fate  
You're my Achilles heel  
This is the golden age of something good and right and real

And I never saw you coming  
And I'll never be the same, oh  
And I never saw you coming  
And I'll never be the same

(So you were never a saint, and I loved in shades of wrong)  
(We learn to live with the pain, mosaic broken hearts)  
(But this love is brave and wild)

This is a state of grace  
This is the worthwhile fight  
Love is a ruthless game  
Unless you play it good and right

### **"Red (Taylor's Version)"**

Loving him is like driving a new Maserati down a dead-end street  
Faster than the wind, passionate as sin, ending so suddenly  
Loving him is like trying to change your mind once you're already flying through the free  
fall  
Like the colors in autumn, so bright, just before they lose it all

Losing him was blue like I'd never known  
Missing him was dark gray, all alone  
Forgetting him was like trying to know somebody you never met  
But loving him was red

(Red, red, red)  
(Red, red, red)  
(Red, red, red)  
(Red, red, red)  
But loving him was red  
(Red, red, red)  
(Red, red, red)  
(Red, red, red)  
(Red, red, red)

Touching him was like  
Realizing all you ever wanted was right there in front of you  
Memorizing him was as  
Easy as knowing all the words to your old favorite song  
Fighting with him was like  
Trying to solve a crossword and realizing there's no right answer  
Regretting him was like  
Wishing you never found out that love could be that strong

Losing him was blue like I'd never known  
Missing him was dark gray, all alone (Woah)  
Forgetting him was like  
Trying to know somebody you never met  
But loving him was red

(Red, red, red)  
(Red, red, red)  
Oh, red (Red, red, red)  
(Red, red, red)  
Burning red (Red, red, red)  
(Red, red, red)  
(Red, red, red)  
(Red, red, red)

Remembering him comes in flashbacks and echoes  
Tell myself it's time now, gotta let go  
But moving on from him is impossible  
When I still see it all in my head  
In burning red  
Burning, it was red

Oh, losing him was blue like I'd never known  
Missing him was dark gray, all alone (Woah)  
Forgetting him was like trying to know somebody you never met  
'Cause loving him was red

(Red, red, red; red, red, red)  
Yeah, yeah, red  
(Red, red, red; red, red, red)  
Burning red (Red, red, red; red, red, red)  
(Red, red, red; red, red, red)

And that's why he's spinning 'round in my head (Red, red, red; red, red, red)  
Comes back to me (Red, red, red; red, red, red), burning red  
(Red, red, red; red, red, red) Yeah, yeah  
(Red, red, red; red, red, red)

His love was like driving a new Maserati down a dead-end street

## "Treacherous (Taylor's Version)"

Put your lips close to mine  
As long as they don't touch  
Out of focus, eye to eye  
Till the gravity's too much  
And I'll do anything you say  
If you say it with your hands  
And I'd be smart to walk away  
But you're quicksand

This slope is treacherous  
This path is reckless  
This slope is treacherous  
And I, I, I like it

I can't decide if it's a choice  
Getting swept away  
I hear the sound of my own voice  
Asking you to stay  
All we are is skin and bone  
Trained to get along  
Forever going with the flow  
But you're friction

This slope is treacherous  
This path is reckless  
This slope is treacherous  
I, I, I like it

Two headlights shine through the sleepless night and I will  
Get you a, get you alone  
Your name has echoed through my mind and I just  
Think you should, think you should know  
That nothing safe is worth the drive and I would  
Follow you, follow you home  
I'll follow you, follow you home

This hope is treacherous  
This daydream is dangerous  
This hope is treacherous  
I, I, I

I, I, I  
I, I, I

Two headlights shine through the sleepless night and I will  
Get you a, get you alone  
Your name has echoed through my mind and I just  
Think you should, think you should know  
That nothing safe is worth the drive and I will  
Follow you, follow you home  
I'll follow you, follow you home  
I'll follow you, follow you home  
I'll follow you, follow you home

This slope is treacherous  
I, I, I like it

### **"I Knew You Were Trouble (Taylor's Version)"**

Once upon a time, a few mistakes ago  
I was in your sights, you got me alone  
You found me, you found me, you found me  
I guess you didn't care, and I guess I liked that  
And when I fell hard, you took a step back  
Without me, without me, without me

And he's long gone when he's next to me  
And I realize the blame is on me

'Cause I knew you were trouble when you walked in  
So shame on me now  
Flew me to places I'd never been  
'Til you put me down, oh  
I knew you were trouble when you walked in  
So shame on me now  
Flew me to places I'd never been  
Now I'm lying on the cold hard ground

Oh, oh-oh  
Trouble, trouble, trouble  
Oh, oh-oh  
Trouble, trouble, trouble

No apologies, he'll never see you cry  
Pretends he doesn't know that he's the reason why  
You're drowning, you're drowning, you're drowning  
And I heard you moved on from whispers on the street  
A new notch in your belt is all I'll ever be  
And now I see, now I see, now I see

He was long gone when he met me  
And I realize the joke is on me, hey

I knew you were trouble when you walked in (Oh)  
So shame on me now  
Flew me to places I'd never been  
'Til you put me down, oh  
I knew you were trouble when you walked in  
So shame on me now  
Flew me to places I'd never been (Yeah)  
Now I'm lying on the cold hard ground

Oh, oh-oh (Yeah)  
Trouble, trouble, trouble (Trouble)  
Oh, oh-oh  
Trouble, trouble, trouble

And the saddest fear  
Comes creeping in  
That you never loved me  
Or her, or anyone, or anything  
Yeah

I knew you were trouble when you walked in  
So shame on me now  
Flew me to places I'd never been (Never been)  
'Til you put me down, oh  
I knew you were trouble when you walked in (Knew it right there)  
So shame on me now (Knew it right there)  
Flew me to places I'd never been (Ooh)  
Now I'm lying on the cold hard ground

Oh, oh-oh  
Trouble, trouble, trouble (Oh)

Oh, oh-oh  
Trouble, trouble, trouble (Trouble)  
I knew you were trouble when you walked in  
Trouble, trouble, trouble  
I knew you were trouble when you walked in  
Trouble, trouble, trouble

### **"All Too Well (Taylor's Version)"**

I walked through the door with you  
The air was cold  
But something 'bout it felt like home somehow and I  
Left my scarf there at your sister's house  
And you've still got it in your drawer even now

Oh, your sweet disposition  
And my wide-eyed gaze  
We're singing in the car, getting lost upstate  
Autumn leaves falling down like pieces into place  
And I can picture it after all these days  
And I know it's long gone and that magic's not here no more  
And I might be okay but I'm not fine at all, oh-oh-oh

'Cause there we are again on that  
Little town street  
You almost ran the red 'cause you were  
Looking over at me  
Wind in my hair, I was there  
I remember it all too well

Photo album on the counter  
Your cheeks were turning red  
You used to be a little kid with glasses in a twin-sized bed  
And your mother's telling stories 'bout you on the tee ball team  
You taught me about your past, thinking your future was me  
And I know it's long gone and there was nothing else I could do  
And I forget about you long enough to forget why I needed to

'Cause there we are again in the middle of the night  
We're dancing round the kitchen in the refrigerator light  
Down the stairs, I was there

I remember it all too well, yeah

And maybe we got lost in translation  
Maybe I asked for too much  
But maybe this thing was a masterpiece  
Till you tore it all up  
Running scared, I was there  
I remember it all too well

And you call me up again  
Just to break me like a promise  
So casually cruel in the name of being honest  
I'm a crumpled up piece of paper lying here  
'Cause I remember it all, all, all too well

Time won't fly, it's like I'm paralyzed by it  
I'd like to be my old self again but I'm still trying to find it  
After plaid shirt days and nights when you made me your own  
Now you mail back my things and I walk home alone  
But you keep my old scarf from that very first week  
'Cause it reminds you of innocence and it smells like me  
You can't get rid of it  
'Cause you remember it all too well

'Cause there we are again when I loved you so  
Back before you lost the one real thing you've ever known  
It was rare, I was there, I remember it all too well  
Wind in my hair, you were there, you remember it all  
Down the stairs, you were there, you remember it all  
It was rare, I was there, I remember it all too well

## **"22 (Taylor's Version)"**

It feels like a perfect night  
To dress up like hipsters  
And make fun of our exes  
Ah, ah, ah, ah  
It feels like a perfect night  
For breakfast at midnight  
To fall in love with strangers  
Ah ah, ah, ah

Yeah, we're happy, free, confused and lonely at the same time  
It's miserable and magical, oh yeah  
Tonight's the night when we forget about the deadlines, it's time  
Ah, ah

I don't know about you  
But I'm feeling 22  
Everything will be alright if  
You keep me next to you  
You don't know about me  
But I'll bet you want to  
Everything will be alright if  
We just keep dancing like we're  
22  
22

It seems like one of those nights  
This place is too crowded  
Too many cool kids ("Who is Taylor Swift anyway?")  
Ah ah, ah ah  
It seems like one of those nights  
We ditch the whole scene  
And end up dreaming instead of sleeping, yeah  
We're happy, free, confused and lonely in the best way  
It's miserable and magical, oh yeah  
Tonight's the night when we forget about the heartbreaks, it's time  
Ah, ah

I don't know about you  
But I'm feeling 22  
Everything will be alright if  
You keep me next to you  
You don't know about me  
But I'll bet you want to  
Everything will be alright if (Alright)  
We just keep dancing like we're  
22  
22 (I don't know about you)  
22  
22

It feels like one of those nights

We ditch the whole scene  
It feels like one of those nights  
We won't be sleeping  
It feels like one of those nights  
You look like bad news  
I gotta have you  
I gotta have you

I don't know about you (I don't know about you)  
But I'm feeling 22  
Everything will be alright if  
You keep me next to you  
You don't know about me (You don't know about me)  
But I'll bet you want to  
Everything will be alright if  
We just keep dancing like we're 22  
22  
22 (Dancing like)  
22  
22

It feels like one of those nights  
We ditch the whole scene  
It feels like one of those nights  
We won't be sleeping  
It feels like one of those nights  
You look like bad news  
I gotta have you  
I gotta have you

### **"I Almost Do (Taylor's Version)"**

I bet this time of night you're still up  
I bet you're tired from a long hard week  
I bet you're sittin' in your chair by the window  
Looking out at the city and I bet  
Sometimes you wonder 'bout me

And I just want to tell you  
It takes everything in me  
Not to call you

And I wish I could run to you  
And I hope you know that  
Every time I don't  
I almost do  
I almost do

I bet you think I either moved on or hate you  
'Cause each time you reach out, there's no reply  
I bet it never, ever occurred to you  
That I can't say hello to you and risk another goodbye

And I just want to tell you  
It takes everything in me  
Not to call you  
And I wish I could run to you  
And I hope you know that  
Every time I don't  
I almost do, I almost do

Oh, we made quite a mess, babe  
It's probably better off this way  
And I confess, baby  
In my dreams you're touching my face  
And asking me if I'd want to try again with you  
And I almost do

And I just want to tell you  
It takes everything in me  
Not to call you  
And I wish I could run to you  
And I hope you know that  
Every time I don't  
I almost do, I almost do

I bet this time of night you're still up  
I bet you're tired from a long hard week  
I bet you're sittin' in your chair by the window  
Looking out at the city and I hope  
Sometimes you wonder 'bout me

## "We Are Never Ever Getting Back Together (Taylor's Version)"

I remember when we broke up the first time  
Saying, "This is it, I've had enough", 'cause like  
We hadn't seen each other in a month  
When you said you needed space, what?  
Then you come around again and say  
"Baby, I miss you and I swear I'm gonna change, trust me"  
Remember how that lasted for a day?  
I say, "I hate you," we break up, you call me, "I love you"

Ooh, we called it off again last night but  
Ooh, this time I'm telling you, I'm telling you

We are never ever ever getting back together  
We are never ever ever getting back together  
You go talk to your friends, talk to my friends, talk to me  
But we are never ever ever ever getting back together

Like, ever

I'm really gonna miss you picking fights  
And me falling for it, screaming that I'm right  
And you would hide away and find your peace of mind  
With some indie record that's much cooler than mine

Ooh, you called me up again tonight but  
Ooh, this time, I'm telling you, I'm telling you

We are never ever ever getting back together  
We are never ever ever getting back together  
You go talk to your friends, talk to my friends, talk to me  
But we are never ever ever ever getting back together

Yeah  
Yeah  
Yeah

I used to think that we were forever ever  
And I used to say never say never

So he calls me up and he's like, "I still love you"

And I'm like, I'm just, I mean this is exhausting you know?  
Like we are never getting back together  
Like, ever

(No)  
We are never ever ever getting back together  
We are never ever ever getting back together  
You go talk to your friends, talk to my friends, talk to me  
But we are never ever ever ever getting back together

(We)  
No  
(Getting back together)  
(We)  
(Getting back together)  
You go talk to your friends, talk to my friends, talk to me  
(Talk to me)  
But we are never ever ever ever getting back together

### **"Stay Stay Stay (Taylor's Version)"**

I'm pretty sure we almost broke up last night  
I threw my phone across the room at you  
I was expecting some dramatic turn away but you stayed

This morning I said we should talk about it  
'Cause I read you should never leave a fight unresolved  
That's when you came in wearing a football helmet and said, "Ok, let's talk"  
And I said

Stay, stay, stay  
I've been loving you for quite some time, time, time  
You think that it's funny when I'm mad, mad, mad  
But I think that it's best if we both stay

Before you I'd only dated self-indulgent takers  
Who took all of their problems out on me  
But you carry my groceries and now I'm always laughing  
And I love you because you have given me no choice but to

Stay, stay, stay

I've been loving you for quite some time, time, time  
You think that it's funny when I'm mad, mad, mad  
But I think that it's best if we both stay  
Stay, stay, stay, stay

You took the time to memorize me  
My fears, my hopes and dreams  
I just like hanging out with you  
All the time  
All those times that you didn't leave  
It's been occurring to me  
I'd like to hang out with you  
For my whole life

Stay  
And I'll be loving you for quite some time  
No one else is gonna love me when I get mad, mad, mad  
So I think that it's best if we both stay  
Stay, stay, stay, stay, stay

Stay, stay, stay  
I've been loving you for quite some time, time, time  
You think that it's funny when I'm mad, mad, mad  
But I think that it's best if we both stay  
Stay, stay, stay, stay, stay

Stay, stay, stay  
I've been loving you for quite some time, time, time  
You think that it's funny when I'm mad, mad, mad  
But I think that it's best if we both stay

That's so fun

### **"The Last Time (Taylor's Version)" (feat. Gary Lightbody)**

I find myself at your door  
Just like all those times before  
I'm not sure how I got there  
All roads they lead me here  
I imagine you are home

In your room, all alone  
And you open your eyes into mine  
And everything feels better

And right before your eyes  
I'm breaking, no past  
No reasons why  
Just you and me

This is the last time I'm asking you this  
Put my name at the top of your list  
This is the last time I'm asking you why  
You break my heart in the blink of an eye, eye, eye

You find yourself at my door  
And just like all those times before  
You wear your best apology  
But I was there to watch you leave  
And all the times I let you in  
Just for you to go again  
Disappear when you come back  
Everything is better

And right before your eyes  
I'm aching  
No past, nowhere to hide  
Just you and me

This is the last time I'm asking you this  
Put my name at the top of your list  
This is the last time I'm asking you why  
You break my heart in the blink of an eye, eye, eye

This is the last time you tell me I've got it wrong  
This is the last time I say it's been you all along  
This is the last time I let you in my door  
This is the last time, I won't hurt you anymore  
Oh-ho, oh-ho, oh-ho, oh-ho  
Oh-ho, oh-ho, oh-ho, oh-ho

This is the last time I'm asking you this  
Put my name at the top of your list

This is the last time I'm asking you why  
You break my heart in the blink of an eye

This is the last time I'm asking you this  
(This is the last time I'm asking you this)

Put my name at the top of your list  
(Put my name at the top of your list)

This is the last time I'm asking you why  
(This is the last time I'm asking you why)  
You break my heart in the blink of an eye  
(You break my heart)

This is the last time I'm asking you, last time I'm asking you  
Last time I'm asking you this

This is the last time I'm asking you, last time I'm asking you  
Last time I'm asking you this

This is the last time I'm asking you, last time I'm asking you  
Last time I'm asking you this

This is the last time I'm asking you, last time I'm asking you  
Last time I'm asking you this

### **"Holy Ground (Taylor's Version)"**

I was reminiscing just the other day  
While having coffee all alone  
And Lord it took me away  
Back to a first-glance feeling on New York time  
Back when you fit my poems like a perfect rhyme  
Took off faster than a green light, go  
Yeah you skip the conversation when you already know  
I left a note on the door with a joke we'd made  
And that was the first day

And darling it was good  
Never looking down  
And right there where we stood  
Was holy ground

Spinning like a girl in a brand new dress  
We had this big wide city all to ourselves  
We block the noise with the sound of, "I need you"  
And for the first time I had something to lose

And I guess we fell apart in the usual way  
And the story's got dust on every page  
But sometimes I wonder how you think about it now  
And I see your face in every crowd

'Cause darling, it was good  
Never looking down  
And right there where we stood  
Was holy ground

Tonight, I'm gonna dance  
For all that we've been through  
But I don't wanna dance  
If I'm not dancing with you  
Tonight, I'm gonna dance  
Like you were in this room  
But I don't wanna dance  
If I'm not dancing with you

It was good  
Never looking down  
And right there where we stood  
Was holy ground

Tonight, I'm gonna dance  
For all that we've been through  
But I don't wanna dance  
If I'm not dancing with you  
Tonight, I'm gonna dance  
Like you were in this room  
But I don't wanna dance  
If I'm not dancing with you

### **"Sad Beautiful Tragic (Taylor's Version)"**

Long handwritten note, deep in your pocket  
Words, how little they mean, when you're a little too late  
I stood right by the tracks, your face in a locket  
Good girls, hopeful they'll be and long they will wait

We had a beautiful magic love there

What a sad, beautiful, tragic love affair

In dreams, I meet you in warm conversation  
And we both wake in lonely beds, different cities  
And time is taking its sweet time erasing you  
And you've got your demons  
And darling, they all look like me

'Cause we had a beautiful magic love there  
What a sad, beautiful, tragic love affair (Whoa, oh, whoa, oh)

Distance, timing, breakdown, fighting  
Silence, the train runs off its tracks  
Kiss me, try to fix it, could you just try to listen?  
Hang up, give up, and for the life of us we can't get back  
A beautiful magic love there  
What a sad, beautiful, tragic, beautiful, tragic, beautiful

What we had, a beautiful magic love there  
What a sad, beautiful, tragic, love affair  
We had a beautiful magic love there  
What a sad, beautiful, tragic love affair

### **"The Lucky One (Taylor's Version)"**

New to town with a made up name  
In the angel's city, chasing fortune and fame  
And the camera flashes make it look like a dream  
You had it figured out since you were in school  
Everybody loves pretty, everybody loves cool  
So overnight, you look like a sixties queen

Another name goes up in lights  
Like diamonds in the sky

And they'll tell you now, you're the lucky one  
Yeah, they'll tell you now, you're the lucky one  
But can you tell me now, you're the lucky one?  
Oh, oh, oh

Now, it's big black cars and Riviera views

And your lover in the foyer doesn't even know you  
And your secrets end up splashed on the news front page  
And they tell you that you're lucky, but you're so confused  
'Cause you don't feel pretty, you just feel used  
And all the young things line up to take your place

Another name goes up in lights  
You wonder if you'll make it out alive

And they'll tell you now, you're the lucky one  
Yeah, they'll tell you now, you're the lucky one  
But can you tell me now, you're the lucky one?  
Oh, oh, oh  
Oh, oh, oh

It was a few years later, I showed up here  
And they still tell the legend of how you disappeared  
How you took the money and your dignity, and got the hell out  
They say you bought a bunch of land somewhere  
Chose the rose garden over Madison Square  
And it took some time, but I understand it now

'Cause now my name is up in lights  
But I think you got it right

Let me tell you now, you're the lucky one  
Let me tell you now, you're the lucky one  
Let me tell you now, you're the lucky one, oh, oh, oh  
Yeah, they'll tell you now, you're the lucky one  
Yeah, they'll tell you now, you're the lucky one  
Let me tell you now, you're the lucky one, oh, oh, oh  
Oh, oh, whoa, oh, oh

### **"Everything Has Changed (Taylor's Version)" (feat. Ed Sheeran)**

(You good to go?)

All I knew this morning when I woke  
Is I know something now  
Know something now I didn't before

And all I've seen since 18 hours ago  
Is green eyes and freckles and your smile  
In the back of my mind, making me feel like

I just wanna know you better  
Know you better, know you better now  
I just wanna know you better  
Know you better, know you better now  
I just wanna know you better  
Know you better, know you better now  
I just wanna know you, know you, know you

'Cause all I know is we said, "Hello"  
And your eyes look like coming home  
All I know is a simple name  
Everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours  
All I know since yesterday  
Is everything has changed

And all my walls stood tall, painted blue  
But I'll take 'em down, take 'em down  
And open up the door for you  
And all I feel in my stomach is butterflies  
The beautiful kind, making up for lost time  
Taking flight, making me feel right

I just wanna know you better  
Know you better, know you better now  
I just wanna know you better  
Know you better, know you better now  
I just wanna know you better  
Know you better, know you better now  
I just wanna know you, know you, know you

'Cause all I know is we said, "Hello"  
And your eyes look like coming home  
All I know is a simple name  
Everything has changed  
All I know is you held the door  
You'll be mine and I'll be yours

All I know since yesterday  
Is everything has changed

Come back and tell me why  
I'm feeling like I've missed you all this time  
And meet me there tonight  
And let me know that it's not all in my mind

I just wanna know you better  
Know you better, know you better now  
I just wanna know you, know you, know you

All I know is we said, "Hello"  
And your eyes look like coming home  
All I know is a simple name  
Everything has changed  
All I know is you held the door  
And you'll be mine and I'll be yours  
All I know since yesterday  
Is everything has changed

All I know is we said, "Hello"  
So dust off your highest hopes  
All I know is pouring rain  
And everything has changed  
All I know is a new found grace  
All my days, I'll know your face  
All I know since yesterday  
Is everything has changed

### **"Starlight (Taylor's Version)"**

I said, "Oh my, what a marvelous tune"  
It was the best night  
Never would forget how he moved  
The whole place was dressed to the nines  
And we were dancing, dancing  
Like we're made of starlight  
Like we're made of starlight

I met Bobby on the boardwalk, summer of '45

Picks me up late one night  
Out the window, we were seventeen and crazy, running wild, wild  
Can't remember what song it was playing when we walked in  
The night we snuck into a yacht club party  
Pretending to be a duchess and a prince

And I said, "Oh my, what a marvelous tune"  
It was the best night, never would forget how he moved  
The whole place was dressed to the nines  
And we were dancing, dancing  
Like we're made of starlight, starlight  
Like we're made of starlight, starlight

He said, "Look at you, worrying too much about things you can't change  
You'll spend your whole life singing the blues if you keep thinking that way"  
He was trying to skip rocks on the ocean, saying to me  
"Don't you see the starlight, starlight?  
Don't you dream impossible things?"

Like, "Oh my, what a marvelous tune"  
It was the best night, never would forget how he moved  
The whole place was dressed to the nines  
And we were dancing, dancing  
Like we're made of starlight, starlight  
Like we're made of starlight, starlight

Ooh-ooh, he's talking crazy  
Ooh-ooh, dancing with me  
Ooh-ooh, we could get married  
Have ten kids and teach 'em how to dream

(Ooh, hoo, hoo)  
(Ooh, hoo, hoo)  
(Ooh, hoo, hoo)  
(Ooh, hoo, hoo)

Oh my, what a marvelous tune  
It was the best night, never would forget how he moved  
The whole place was dressed to the nines  
And we were dancing, dancing  
Like we're made of starlight, starlight  
Like we're made of starlight, starlight

Like we're made of starlight, starlight  
Like we dream impossible dreams  
Like starlight, starlight (Ooh, hoo, hoo)  
Like we dream impossible dreams (Ooh, hoo, hoo)

Don't you see the starlight, starlight? (Ooh, hoo, hoo)  
Don't you dream impossible things?

### **"Begin Again (Taylor's Version)"**

Took a deep breath in the mirror  
He didn't like it when I wore high heels, but I do  
Turn the lock and put my headphones on  
He always said he didn't get this song, but I do, I do

I walked in expecting you'd be late  
But you got here early and you stand and wave  
I walk to you  
You pull my chair out and help me in  
And you don't know how nice that is, but I do

And you throw your head back laughing like a little kid  
I think it's strange that you think I'm funny 'cause he never did  
I've been spending the last eight months  
Thinking all love ever does is break and burn and end  
But on a Wednesday in a café, I watched it begin again

You said you never met one girl who  
Had as many James Taylor records as you, but I do  
We tell stories and you don't know why  
I'm coming off a little shy, but I do

But you throw your head back laughing like a little kid  
I think it's strange that you think I'm funny 'cause he never did  
I've been spending the last eight months  
Thinking all love ever does is break and burn and end  
But on a Wednesday in a café, I watched it begin again

And we walked down the block to my car  
And I almost brought him up

But you start to talk about the movies  
That your family watches every single Christmas  
And I wanna talk about that  
And for the first time, what's past is past

'Cause you throw your head back laughing like a little kid  
I think it's strange that you think I'm funny 'cause he never did  
I've been spending the last eight months  
Thinking all love ever does is break and burn and end  
But on a Wednesday in a café, I watched it begin again

But on a Wednesday in a café, I watched it begin again

### **"The Moment I Knew (Taylor's Version)"**

You should've been there  
Should've burst through the door  
With that "Baby, I'm right here" smile  
And it would've felt like  
A million little shining stars had just aligned  
And I would've been so happy

Christmas lights glisten  
I've got my eye on the door  
Just waiting for you to walk in  
But the time is ticking  
People ask me how I've been  
As I comb back through my memory  
How you said you'd be here  
You said you'd be here

And it was like slow motion  
Standing there in my party dress  
In red lipstick  
With no one to impress  
And they're all laughing  
As I'm looking around the room  
But there was one thing missing  
And that was the moment I knew

And the hours pass by

Now I just wanna be alone  
But your close friends always seem to know  
When there's something really wrong  
So they follow me down the hall  
And there in the bathroom  
I try not to fall apart  
And the sinking feeling starts  
As I say hopelessly  
"He said he'd be here"

And it was like slow motion  
Standing there in my party dress  
In red lipstick  
With no one to impress  
And they're all laughing  
And asking me about you  
But there was one thing missing (Missing)  
And that was the moment I knew

What do you say  
When tears are streaming down your face  
In front of everyone you know?  
And what do you do  
When the one who means the most to you  
Is the one who didn't show?

You should've been here  
And I would've been so happy

And it was like slow motion  
Standing there in my party dress  
In red lipstick  
With no one to impress  
And they're all standing around me, singing  
"Happy birthday to you"  
But there was one thing missing  
And that was the moment I knew  
Oh-oh-oh-oh-oh-oh, I knew  
Oh-oh-oh-oh-oh-oh

You called me later  
And said, "I'm sorry I didn't make it"

And I said, "I'm sorry, too"  
And that was the moment I knew

### **"Come Back...Be Here (Taylor's Version)"**

You said it in a simple way  
4 AM, the second day  
How strange that I don't know you at all  
Stumbled through the long goodbye  
One last kiss, then catch your flight  
Right when I was just about to fall

I told myself, don't get attached  
But in my mind, I play it back  
Spinning faster than the plane that took you

And this is when the feeling sinks in  
I don't wanna miss you like this  
Come back, be here, come back, be here  
I guess you're in New York today  
I don't wanna need you this way  
Come back, be here, come back, be here

The delicate beginning rush  
The feeling you can know so much  
Without knowing anything at all  
And now that I can put this down  
If I had known what I know now  
I never would've played so nonchalant

Taxi cabs and busy streets  
That never bring you back to me  
I can't help but wish you took me with you

And this is when the feeling sinks in  
I don't wanna miss you like this  
Come back, be here, come back, be here  
I guess you're in London today  
And I don't wanna need you this way  
Come back, be here, come back, be here

This is falling in love in the cruellest way  
This is falling for you when you are worlds away  
In New York, be here  
But you're in London, and I break down  
'Cause it's not fair that you're not around

This is when the feeling sinks in  
I don't wanna miss you like this  
Come back, be here, come back, be here  
I guess you're in New York today  
And I don't wanna need you this way  
Come back, be here, come back, be here

Oh-oh, oh-oh  
I don't wanna miss you like this  
Oh-oh, oh-oh  
Come back, be here  
Come back, be here

### **"Girl At Home (Taylor's Version)"**

Don't look at me, you got a girl at home  
And everybody knows that, everybody knows that, ah-ah  
Don't look at me, you got a girl at home  
And everybody knows that

I don't even know her  
But I feel a responsibility  
To do what's upstanding and right  
It's kinda like a code, yeah  
And you've been getting closer and closer  
And crossing so many lines

And it would be a fine proposition  
If I was a stupid girl  
But, honey, I am no one's exception  
This, I have previously learned

So don't look at me, you got a girl at home  
And everybody knows that, everybody knows that, ah-ah  
Don't look at me, you got a girl at home

And everybody knows that, everybody knows that  
I see you turn off your phone  
And now you've got me alone, and I say  
Don't look at me, you got a girl at home  
And everybody knows that, everybody knows that

I just wanna make sure  
You understand perfectly  
You're the kind of man who makes me sad  
While she waits up  
You chase down the newest thing  
And take for granted what you have

And it would be a fine proposition  
If I was a stupid girl  
And, yeah, I might go with it  
If I hadn't once been just like her

So don't look at me, you got a girl at home  
And everybody knows that, everybody knows that, ah-ah  
Don't look at me, you got a girl at home  
And everybody knows that, everybody knows that  
I see you turn off your phone  
And now you've got me alone, and I say  
Don't look at me, you got a girl at home  
And everybody knows that, everybody knows that

Oh-oh  
Oh-oh

Call a cab, lose my number  
You're about to lose your girl  
Call a cab, lose my number  
Let's consider this lesson learned

Don't look at me, you got a girl at home  
And everybody knows that, everybody knows that, ah-ah  
Don't look at me, you got a girl at home  
And everybody knows that, everybody knows that  
Wanna see you pick up your phone  
And tell her you're coming home  
Don't look at me, you got a girl at home

And everybody knows that, everybody knows that

It would be a fine proposition  
If I hadn't once been just like her

### **"Ronan (Taylor's Version)"**

I remember your bare feet, down the hallway  
I remember your little laugh  
Race cars on the kitchen floor, plastic dinosaurs  
I love you to the moon and back  
I remember your blue eyes looking into mine  
Like we had our own secret club  
I remember you dancing before bed time  
Then jumping on me, waking me up  
I can still feel you hold my hand, little man  
And even the moment I knew  
You fought it hard like an army guy  
Remember I leaned in and whispered to you

"Come on, baby, with me  
We're going to fly away from here  
You were my best four years"

I remember the drive home  
When the blind hope turned to crying and screaming "Why?"  
Flowers pile up in the worst way, no one knows what to say  
About a beautiful boy who died  
And it's about to be Halloween  
You could be anything you wanted if you were still here  
I remember the last day, when I kissed your face  
And whispered in your ear

"Come on, baby, with me  
We're going to fly away from here  
Out of this curtained room and this hospital gray, we'll just disappear  
Come on, baby, with me  
We're going to fly away from here  
You were my best four years"

What if I'm standing in your closet trying to talk to you?

And what if I kept the hand-me-downs you won't grow into?  
And what if I really thought some miracle would see us through?  
What if the miracle was even getting one moment with you?

Come on, baby, with me  
We're going to fly away from here  
Come on, baby, with me  
We're going to fly away from here  
You were my best four years

I remember your bare feet, down the hallway  
I love you to the moon and back

### **"Better Man (Taylor's Version) (From The Vault)"**

I know I'm probably better off on my own  
Than lovin' a man who didn't know what he had when he had it  
And I see the permanent damage you did to me  
Never again, I just wish I could forget when it was magic

I wish it wasn't 4AM, standing in the mirror  
Saying to myself, "You know you had to do it"  
I know the bravest thing I ever did was run

Sometimes, in the middle of the night, I can feel you again  
But I just miss you, and I just wish you were a better man  
And I know why we had to say goodbye like the back of my hand  
But I just miss you, and I just wish you were a better man  
A better man

I know I'm probably better off all alone  
Than needing a man who could change his mind  
At any given minute  
And it was always on your terms  
I waited on every careless word  
Hoping they might turn sweet again  
Like it was in the beginning

But your jealousy, oh, I can hear it now  
Talking down to me like I'd always be around  
Push my love away like it was some kind of loaded gun

Oh, you never thought I'd run

Sometimes, in the middle of the night, I can feel you again  
But I just miss you, and I just wish you were a better man  
And I know why we had to say goodbye, like the back of my hand  
But I just miss you, and I just wish you were a better man  
A better man

I hold onto this pride because these days it's all I have  
And I gave to you my best and we both know you can't say that  
I wish you were a better man  
I wonder what we would've become  
If you were a better man  
We might still be in love  
If you were a better man  
You would've been the one  
If you were a better man  
Yeah, yeah

Sometimes, in the middle of the night, I can feel you again  
But I just miss you, and I just wish you were a better man  
And I know why we had to say goodbye, like the back of my hand  
But I just miss you, and I just wish you were a better man  
A better man  
(Sometimes, in the middle of the night, I can feel you again)  
We might still be in love, if you were a better man  
(But I just miss you and I just wish you were a better man)  
Yeah, yeah  
I know why we had to say goodbye like the back of my hand  
But I just miss you and I just wish you were a better man  
A better man

We might still be in love  
If you were a better man  
You would've been the one  
If you were a better man

**"Nothing New (Taylor's Version) (From The Vault)"  
(feat. Phoebe Bridgers)**

They tell you while you're young

"Girls, go out and have your fun"  
Then they hunt and slay the ones who actually do it  
Criticize the way you fly  
When you're soaring through the sky  
Shoot you down and then they sigh  
And say, "She looks like she's been through it"  
Lord, what will become of me  
Once I've lost my novelty?

I've had too much to drink tonight  
And I know it's sad but this is what I think about  
And I wake up in the middle of the night  
It's like I can feel time moving  
How can a person know everything at eighteen  
But nothing at twenty-two?  
And will you still want me when I'm nothing new?

How long will it be cute, all this crying in my room?  
When you can't blame it on my youth  
And roll your eyes with affection  
And my cheeks are growing tired  
From turning red and faking smiles  
Are we only biding time 'til I lose your attention  
And someone else lights up the room?  
People love an ingénue

I've had too much to drink tonight  
How did I go from growing up to breaking down?  
And I wake up in the middle of the night  
It's like I can feel time moving  
How can a person know everything at eighteen  
But nothing at twenty-two?  
And will you still want me when I'm nothing new?

I know someday I'm gonna meet her  
It's a fever dream  
The kind of radiance you only have at seventeen  
She'll know the way and then she'll say she got the map from me  
I'll say I'm happy for her then I'll cry myself to sleep  
Oh woah, oh woah, oh, oh

I've had (I've had) too much to drink tonight

But I wonder if they'll miss me once they drive me out  
I wake up (Wake up) in the middle of the night  
And I can feel time moving  
How can a person know everything at eighteen  
But nothing at twenty-two?  
And will you still want me, will you still want me  
Will you still want me when I'm nothing new?

### **"Babe (Taylor's Version) (From The Vault)"**

What about your promises, promises?  
What about your promises, promises, promises? (No)

What a shame  
Didn't wanna be the one that got away, yeah  
Big mistake, you broke the sweetest promise  
That you never should have made

I'm here on the kitchen floor  
You call, but I won't hear it  
You said, "No one else"  
How could you do this, babe? (What about your promises, promises?)

You really blew this, babe  
We ain't getting through this one, babe  
This is the last time I'll ever call you, babe (This is the last time, this is the last time)  
This is the last time I'll ever call you, babe  
(What about your promises, promises, promises?)

What a waste  
Takin' down the pictures and the plans we made, yeah  
And it's strange how your face doesn't look so innocent  
Your secret has its consequence and that's on you, babe

I break down every time you call  
We're a wreck, you're the wrecking ball  
We said, "No one else"  
How could you do this, babe? (What about your promises, promises?)

You really blew this, babe  
We ain't getting through this one, babe

This is the last time I'll ever call you, babe (This is the last time, this is the last time)  
This is the last time I'll ever call you

Since you admitted it, I keep picturing  
Her lips on your neck, I can't unsee it  
I hate that because of you, I can't love you, babe  
What a shame didn't want to be the one that got away  
How could you do this, babe?

You really blew this, babe  
We ain't getting through this one, babe  
This is the last time I'll ever call you, babe (This is the last time, this is the last time)  
This is the last time I'll ever call you, babe

I'm here on the kitchen floor, you call but I won't hear it  
You said, "No one else"  
We ain't getting through this one, babe  
I break down every time you call  
We're a wreck, you're the wrecking ball  
You said, "No one else"  
This is the last time I'll ever call you, babe

What about your promises, promises?

**"I Bet You Think About Me (Taylor's Version) (From The Vault)"  
(feat. Chris Stapleton)**

3 AM and I'm still awake, I'll bet you're just fine  
Fast asleep in your city that's better than mine  
And the girl in your bed has a fine pedigree  
And I'll bet your friends tell you she's better than me, huh

Well, I tried to fit in with your upper-crust circles  
Yeah, they let me sit in back when we were in love  
Oh, they sit around talkin' about the meaning of life  
And the book that just saved 'em that I hadn't heard of

But now that we're done and it's over  
I bet you couldn't believe  
When you realized I'm harder to forget than I was to leave  
And I bet you think about me

You grew up in a silver-spoon gated community  
Glamorous, shiny, bright Beverly Hills  
I was raised on a farm, no, it wasn't a mansion  
Just livin' room dancin' and kitchen table bills

But you know what they say, you can't help who you fall for  
And you and I fell like an early spring snow  
But reality crept in, you said we're too different  
You laughed at my dreams, rolled your eyes at my jokes

Mr. Superior Thinkin'  
Do you have all the space that you need?  
I don't have to be your shrink to know that you'll never be happy  
And I bet you think about me

I bet you think about me, yes  
I bet you think about me

Oh, block it all out  
The voices so loud, sayin'  
"Why did you let her go?"  
Does it make you feel sad  
That the love that you're lookin' for  
Is the love that you had?

Now you're out in the world, searchin' for your soul  
Scared not to be hip, scared to get old  
Chasing make-believe status, last time you felt free  
Was when none of that shit mattered 'cause you were with me

But now that we're done and it's over  
I bet it's hard to believe  
That it turned out I'm harder to forget than I was to leave  
And, yeah, I bet you think about me

I bet you think about me, yes  
I bet you think about me

I bet you think about me when you're out  
At your cool indie music concerts every week  
I bet you think about me in your house  
With your organic shoes and your million-dollar couch

I bet you think about me when you say  
"Oh my god, she's insane, she wrote a song about me"  
I bet you think about me

### **"Forever Winter (Taylor's Version) (From The Vault)"**

He says he doesn't believe anything much he hears these days  
He says, "Why fall in love, just so you can watch it go away?"  
He spends most of his nights wishing it was how it used to be  
He spends most of his flights getting pulled down by gravity  
I call, just checking up on him  
He's up, 3 A.M., pacing  
He says, "It's not just a phase I'm in"  
My voice comes out begging

All this time I didn't know  
You were breaking down  
I'd fall to pieces on the floor  
If you weren't around  
Too young to know it gets better  
I'll be summer sun for you forever  
Forever winter if you go

He seems fine most of the time  
Forcing smiles and never minds  
His laugh is a symphony  
When the lights go out, it's hard to breathe  
I pull at every thread trying to solve the puzzles in his head  
Live my life scared to death he'll decide to leave instead  
I call, just checking up on him  
He's up, 5 A.M., wasted  
Long gone, not even listening  
My voice comes out screaming

All this time I didn't know  
You were breaking down  
I'd fall to pieces on the floor  
If you weren't around  
Too young to know it gets better  
I'll be summer sun for you forever  
Forever winter if you go

If I was standing there in your apartment  
I'd take that bomb in your head and disarm it  
I'd say I love you even at your darkest and  
Please don't go

I didn't know  
You were breaking down  
I'd fall to pieces on the floor  
If you weren't around  
Too young to know it gets better  
I'll be summer sun for you forever  
Forever winter if you go

I'll be your summer sun forever  
At 3 A.M., pacing  
All this time I didn't know  
At 5 A.M., wasted  
I'd be in pieces on the floor  
Forever winter if you go

He says he doesn't believe anything much he hears these days  
I say, "Believe in one thing, I won't go away"

### **"Run (Taylor's Version) (From The Vault)" (feat. Ed Sheeran)**

One, two, three, four

Give me the keys, I'll bring the car back around  
We shouldn't be in this town  
And my so-called friends, they don't know  
I'd drive away before I let you go  
So give me a reason and don't say no, no  
There's a chain 'round your throat, piece of paper where I wrote  
"I'll wait for you"  
There's a key on the chain, there's a picture in a frame  
Take it with you

And run, like you'd run from the law  
Darling, let's run

Run from it all  
We can go where our eyes can take us  
Go where no one else is, run  
Ooh, we'll run  
Ooh, we'll run  
Ooh, we'll run

So you laugh like a child  
And I'll sing like no one cares  
No one to be, no one to tell  
I could see this view a hundred times  
Pale blue sky reflected in your eyes  
So give me a reason and don't say no, no  
And the note from the locket, you keep it in your pocket  
Since I gave it to you  
There's a heart on your sleeve  
I'll take it when I leave  
And hold it for you

And run, like you'd run from the law  
Darling, let's run  
Run from it all  
We can go like they're trying to chase us  
Go where no one else is, run  
Ooh, we'll run  
Ooh, we'll run  
Ooh, we'll run

There's been this hole in my heart  
This thing was a shot in the dark  
Say you'll never let 'em tear us apart  
And I'll hold onto you while we run (And we run, and we run, and we run)

Like you'd run from the law (And we run, and we run, and we run)  
Darling, let's run (And we run, and we run, and we run)  
Run from it all (And we run, and we run, and we run)  
We can go where our eyes can take us (And we run, and we run, and we run)  
Go where no one else is, run (And we run, and we run, and we run)  
Ooh, we'll run (And we run, and we run, and we run)  
Ooh, we'll run (And we run, and we run, and we run)  
Ooh, we'll run (And we run, and we run, and we run)  
Ooh, and we'll run

## "The Very First Night (Taylor's Version) (From The Vault)"

I wish I could fly  
I'd pick you up and we'd go back in time  
I'd write this in the sky  
I miss you like it was the very first night

And so it goes  
Every weekend, this same party  
I never go alone and I don't seem brokenhearted  
My friends all say they know everything I'm going through  
I drive down different roads  
But they all lead back to you  
'Cause they don't know about the night in the hotel  
They weren't riding in the car when we both fell  
Didn't read the note on the Polaroid picture  
They don't know how much I miss you

I wish I could fly  
I'd pick you up and we'd go back in time  
I'd write this in the sky  
I miss you like it was the very first night

And so it was  
We never saw it coming  
Not trying to fall in love  
But we did like children running  
Back then we didn't know we were built to fall apart  
We broke the status quo, then we broke each other's hearts  
But don't forget about the night out in LA  
Danced in the kitchen, chased me down through the hallway  
No one knows about the words that we whispered  
No one knows how much I miss you

I wish I could fly  
I'd pick you up and we'd go back in time  
I'd write this in the sky  
I miss you like it was the very first night

Take me away, take me away

Take me away to you, to you  
Take me away, take me away  
Take me away to you, to you

I remember the night at the hotel  
I was riding in the car when we both fell  
I'm the one on the phone as you whisper  
"Do you know how much I miss you?"  
I wish that we could go back in time  
And I'd say to you  
"I miss you like it was the very first night"

I wish I could fly  
I'd pick you up and we'd go back in time  
I'd write this in the sky  
I miss you like it was the very first night  
Take me away, take me away  
Take me away to you, to you  
Take me away, take me away  
Take me away to you, to you

### **"All Too Well (10 Minute Version) (Taylor's Version) (From The Vault)"**

I walked through the door with you, the air was cold  
But something 'bout it felt like home somehow  
And I left my scarf there at your sister's house  
And you've still got it in your drawer, even now  
Oh, your sweet disposition and my wide-eyed gaze  
We're singing in the car, getting lost upstate  
Autumn leaves falling down like pieces into place  
And I can picture it after all these days

And I know it's long gone and  
That magic's not here no more  
And I might be okay, but I'm not fine at all  
Oh, oh, oh

'Cause there we are again on that little town street  
You almost ran the red 'cause you were lookin' over at me  
Wind in my hair, I was there  
I remember it all too well

Photo album on the counter, your cheeks were turning red  
You used to be a little kid with glasses in a twin-sized bed  
And your mother's telling stories 'bout you on the tee-ball team  
You taught me 'bout your past, thinking your future was me  
And you were tossing me the car keys, "fuck the patriarchy"  
Key chain on the ground, we were always skipping town  
And I was thinking on the drive down, any time now  
He's gonna say it's love, you never called it what it was  
'Til we were dead and gone and buried  
Check the pulse and come back swearing it's the same  
After three months in the grave  
And then you wondered where it went to as I reached for you  
But all I felt was shame and you held my lifeless frame

And I know it's long gone and  
There was nothing else I could do  
And I forget about you long enough  
To forget why I needed to

'Cause there we are again in the middle of the night  
We're dancing 'round the kitchen in the refrigerator light  
Down the stairs, I was there  
I remember it all too well  
And there we are again when nobody had to know  
You kept me like a secret, but I kept you like an oath  
Sacred prayer and we'd swear  
To remember it all too well, yeah

Well, maybe we got lost in translation  
Maybe I asked for too much  
But maybe this thing was a masterpiece  
'Til you tore it all up  
Running scared, I was there  
I remember it all too well  
And you call me up again just to break me like a promise  
So casually cruel in the name of being honest  
I'm a crumpled up piece of paper lying here  
'Cause I remember it all, all, all

They say all's well that ends well, but I'm in a new Hell  
Every time you double-cross my mind

You said if we had been closer in age maybe it would have been fine  
And that made me want to die  
The idea you had of me, who was she?  
A never-needy, ever-lovely jewel whose shine reflects on you  
Not weeping in a party bathroom  
Some actress asking me what happened, you  
That's what happened, you  
You who charmed my dad with self-effacing jokes  
Sipping coffee like you're on a late-night show  
But then he watched me watch the front door all night, willing you to come  
And he said, "It's supposed to be fun turning twenty-one"

Time won't fly, it's like I'm paralyzed by it  
I'd like to be my old self again, but I'm still trying to find it  
After plaid shirt days and nights when you made me your own  
Now you mail back my things and I walk home alone  
But you keep my old scarf from that very first week  
'Cause it reminds you of innocence and it smells like me  
You can't get rid of it  
'Cause you remember it all too well, yeah  
'Cause there we are again when I loved you so  
Back before you lost the one real thing you've ever known

It was rare, I was there  
I remember it all too well  
Wind in my hair, you were there  
You remember it all  
Down the stairs, you were there  
You remember it all  
It was rare, I was there  
I remember it all too well

And I was never good at telling jokes, but the punch line goes  
"I'll get older, but your lovers stay my age"  
From when your Brooklyn broke my skin and bones  
I'm a soldier who's returning half her weight  
And did the twin flame bruise paint you blue?  
Just between us, did the love affair maim you, too?  
'Cause in this city's barren cold  
I still remember the first fall of snow  
And how it glistened as it fell  
I remember it all too well

Just between us, did the love affair maim you all too well?  
Just between us, do you remember it all too well?  
Just between us, I remember it (Just between us), all too well  
Wind in my hair, I was there, I was there  
Down the stairs, I was there, I was there  
Sacred prayer, I was there, I was there  
It was rare, you remember it all too well  
Wind in my hair, I was there, I was there  
Down the stairs, I was there, I was there  
Sacred prayer, I was there, I was there  
It was rare, you remember it  
Wind in my hair, I was there, I was there  
Down the stairs, I was there, I was there  
Sacred prayer, I was there, I was there  
It was rare, you remember it  
Wind in my hair, I was there, I was there  
Down the stairs, I was there, I was there  
Sacred prayer, I was there, I was there  
It was rare, you remember it
